THURSDAY, APRIL 19

MARSHVILLE - US 74 CORRIDOR STUDY– OPEN HOUSE

Union County and the Town of Marshville are conducting a corridor study for US 74 through Marshville to analyze both short and long-term improvements for existing US 74. Improvements at various intersections along with recommendations for access management, signal timing, bicycle and pedestrian improvements will be identified. The plan will also consider a proposed bypass of Marshville and when that roadway might be needed.

The Town of Marshville and Union County will approve the plan in late-2018. Your input will help guide the priorities and plan for the US 74 corridor.

It is the policy of the Town of Marshville and Union County that all public meetings and events are accessible to people with disabilities. If you need assistance in participating in a meeting or event due to a disability as defined under the ADA, please call Bjorn Hansen at least three (3) business days prior to the scheduled meeting or event to request an accommodation.

WE WANT TO HEAR FROM YOU!

Drop-in anytime to view planning opportunities, take a short survey, talk with staff, and collaborate with your friends and neighbors.

Thursday,
April 19, 2018
6:00 pm – 8:00 pm
(Drop-in anytime)

THE MARSHVILLE COMMUNITY CENTER
118 E. UNION STREET
MARSHVILLE, NC 28103
