Question/Answer Section

1. I would like to ask clarification on one item in the addendum 1, please see below. It looks as if it states Port Authority KS10. However, we believe it is actually K510: (A Men's polo).

Answer: The "5" transposed to an "S" during the pdf process. Please refer to the Delete/Replace Section for revised price page.

2. The moleskin item link unfortunately is a dead end. In researching a Sapphire Blue journal, I found 3 that may be the one. Is there anyway to clarify the actual item?

Answer: The Moleskine journal is the Original Classic Hard Cover - Large: <https://www.moleskine.com/en-us/shop/notebooks/the-original/classic-notebook-Master67.html>
Please refer to the Delete/Replace Section for a revised price page.

3. I wanted to mention, that because we have a relationship with Cutter and Buck, we have been informed that the item (C&B Item #MCK00291) is out of the WHITE shirt and re-stocking plans are uncertain.

Answer: Due to uncertain restocking plans, please change the pricing example for the Cutter & Buck polo to: Men's Virtue Eco Pique Recycled Polo - MCK01144 (white) – https://www.portauthorityclothing.com/p/3832_White#?doScrollToGrid=true
Please refer to the Delete/Replace Section for revised price page.
