# **UNION COUNTY, NORTH CAROLINA**

# 2006-2007 ANNUAL BUDGET AND ADOPTED BUDGET ORDINANCE

Presented by

Mike Shalati County Manager

# Inquiries, Comments and Acknowledgements

The County invites comments from the reader on aspects of the budget document that warrant improvement and continued refinement. Inquiries, comments or requests regarding the 2007 Union budget document should be directed to:

Union County
Finance Department
Suite 901
500 N. Main Street
Monroe, North Carolina 28112

(704) 283-3813 (Phone) (704) 225-0664 (Fax)

The development of the annual budget, not unlike many of the programs of the County, is a team effort. The County's Finance Department, under the direction of the County Manager as the budget officer, develops the recommended budget with the assistance of many individuals throughout County government. This acknowledgement identifies a number of the key individuals who shared in the development of this budget; many others who assisted are not individually identified.

Gratitude is owed to the following for their hard work and valuable contributions – Debbie Cox, Vivian Drake, Angela James and Amanda Johnson.

Special thanks go to Andrea Robinson. Her coordination of the budget process with meticulous detail permits me to focus on other County priorities.

Kai Nelson Finance Director May 26, 2006

Union County Board of Commissioners Government Center Monroe, North Carolina

In May of every year, it is the County Manager's responsibility to present a balanced budget to the County Commissioners and the citizens of Union County for their consideration. I believe that the 2007 Union County Budget I recommend today reflects the priorities established by the County Commissioners and builds on, and supports, our many community partnerships.

Since Census 2000, Union County has been the nation's 19th fastest growing county and the fastest growing county in the two Carolina's. During this period, according to the Census Bureau, the County's population grew by nearly 32% rising to 162,929 from 123,772. On an average day, we grow by 21 new residents. Each month, we issue 400 new residential building permits. Each year, our public school system, recognized as one of the top performing systems in the State, adds over 2,500 new students. The County continues to experience strong assessed property value growth and low levels of unemployment as our citizens find job opportunities in our local and regional economy. Our financial condition continues to be strong as evidenced by our AA bond rating – Union County's rating is enjoyed by fewer than ten percent of the more than 6,000 rated local governments throughout the nation.

Our growth has created enormous challenges. The County is on the cusp of facing Herculean decisions in connection with providing the infrastructure - schools, libraries, parks, utilities and law enforcement - that our citizens expect and demand of quality communities. Confronting these issues and garnering public support for them will test our leadership, our community partnerships and our financial stewardship. These high-quality services are public commitments our citizens can see and value.

The 2007 Recommended Budget is one step in the process of achieving our long-term goals. We face many challenging decisions in the coming months and years, and the 2007 budget is the next one. But frankly, the greater challenge facing the County Commission and our community is defining our future and committing the resources to reach our destination. That challenge will begin immediately on the heels of the 2007 budget – at which time the County Commission will be asked to make decisions prior to August relating to the capital improvement plan of our public schools, the County and its utility system.

### FY 2007 Budget – The "Big Picture"

The table on the following page reflects the total recommended General Fund Budget for 2007. The table shows the gross expenditure budget, total program revenues such as federal and State financial assistance applied to categorical programs, with the balance reflected as "net county cost" – which amount is funded from unrestricted local revenues such as property taxes, sales taxes, licenses and investment income. This unrestricted local revenue represents the principal source available to the County Commission for funding County programs. The 2007 recommended budget is 13.1% higher than the 2006 original budget. Restricted revenues allocated to categorical programs are projected to increase by 10.7%. The 2007 budget anticipates approximately \$17.8 million in additional revenue available to fund County programs.

			Percent	Additional
	2006	2007	Increase	Resources
Gross Budget	\$ 162,338,330	183,655,296	13.1%	
Program Revenues	(31,944,800)	(35,375,981)	10.7%	
	\$ 130,393,530	148,279,315	13.7%	\$ 17,885,785
Fund Balance	(6,842,747)	(6,845,867)	0.0%	(3,120)
Net County Cost	123,550,783	141,433,448	14.5%	17,882,665

Includes General and Special Schools Tax

#### FY 2007 Budget - The "Detail Revenue Picture"

The County is fortunate to have strong property and sales tax growth. As the economy continues to rebound and building permits remain steady at more than 4,500 annually, the real property tax base is expected to grow by 9.5% over 2006. The total tax base growth, due to annual market adjustments reflected in real, personal, and public service tax base will reduce the overall tax base growth to slightly under 9%.

Property tax values, as depicted in the chart below, are projected to increase by \$1.26 billion or 8.7% over the prior period.

Fiscal Year	2006	2007	Increase
Tax Year	2005	2006	2007 over 2006
Real	\$ 11,954,826,427	\$ 13,100,425,394	
Personal	913,098,096	914,260,639	
Public Service	254,760,555	254,760,555	
	13,122,685,078	14,269,446,588	
% Growth	7.47%	8.74%	
Motor Vehicles	1,373,126,565	1,488,863,475	
% Growth	8.78%	8.43%	
Total Tax Base	\$ 14,495,811,643	\$ 15,758,310,063	\$ 1,262,498,420
Total Growth Rate	7.60%	8.71%	

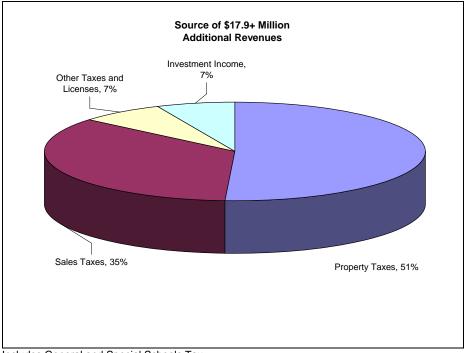

Sales tax revenues are projected to increase by slightly over 10%, representing the combined affect of strong local option sales tax growth, the County's greater population growth as compared to NC statewide population growth and a countywide tax levy that is growing faster than those of other municipal and special tax district levies within the County.

Complimenting this growth has been significant improvement in the performance of the County's temporarily idle cash and investments.

The table and chart on the following page reflects the distribution of the approximately \$17.9 million in additional revenue the County expects to receive in 2007 as compared to the 2006 original budget.

	-			Variance \$ 9,075,048 6,301,034 1,296,000 1,210,583 \$17,882,665
--	---	--	--	---

Includes General and Special Schools Tax

Includes General and Special Schools Tax

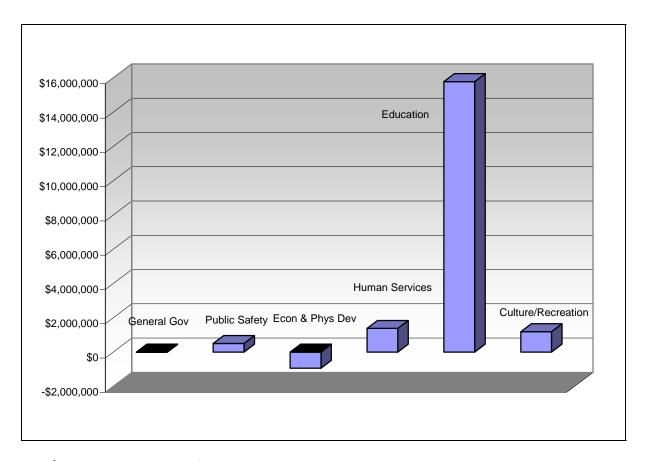

#### FY 2007 Budget - Funding Our Community's Priorities

The 2007 Recommended Budget includes additional funding for education in the amount of \$15.8 million with the allocation of the balance of additional resources in the amount of \$2.1 million to fund other County programs.

The table below and chart on the following page reflects the budget recommendation regarding the allocation of the additional resources available to fund County programs in 2007.

Total	Gei	neral Gov	Pul	olic Safety	Ecor	n & Phys Dev	Hur	man Services	Education	Cu	Iture/Recreation
\$17,885,784	\$	(15,143)	\$	504,090	\$	(945,466)	\$	1,379,283	\$15,777,945	\$	1,185,075

Two program areas of County funding, General Government and Economic & Physical Development are proposed for reduced net County funding. Education funding recommended in the 2007 budget will consume 88% of all additional County resources.

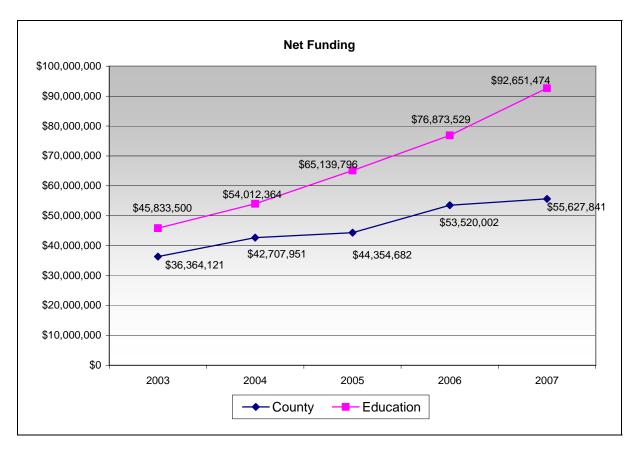

The \$15.8 million increase for education represents a 20.5% increase over the prior period with all other County operations increasing 3.9%. In 2006, approximately 59% of the County's local unrestricted resources (property tax, sales tax, investment income, etc.) were allocated to education. The amount increases to 63% with the 2007 budget.

				% Inc.	%
	2006	2007	Variance	YoY	Budget
County	\$ 53,520,002	\$ 55,627,841	\$ 2,107,839	3.9%	37%
Education	 76,873,529	92,651,474	\$ 15,777,945	20.5%	63%
	\$ 130,393,531	\$ 148,279,315	\$ 17,885,784	13.7%	
					'

Over the past several years, County education expenditures have consumed a greater percentage of locally available revenues and have grown at an increasingly alarming rate each year.

The chart on the following page reflects County and Education expenditures from local revenue sources since 2003.

### FY2007 Budget - More Details on the County's Education Funding

As previously mentioned, the 2007 Recommended Budget contains \$15.8 million in additional County funding for education; representing an increase of 20.5% over 2006's original budget.

The table below provides a summary of the education program included in the budget:

	FY2006	FY2007	Increase	Percent	FY2007	Increase	Percent
	Budget	Request	YoY	Increase	Recommended	YoY	Increase
County Appropriation	\$ 31,158,063	\$42,030,526	\$10,872,463	35%	\$ 41,005,526	\$ 9,847,463	32%
Supplemental Taxes	9,849,600	10,998,000	1,148,400	12%	10,998,000	1,148,400	12%
LOSTs	3,322,200	3,861,000	538,800	16%	3,861,000	538,800	16%
	44,329,863	56,889,526	12,559,663	28%	55,864,526	11,534,663	26%
Fines and Forfeitures	1,041,000	1,300,000	259,000	25%	1,300,000	259,000	25%
UCPS Current Expense	45,370,863	58,189,526	12,818,663	28%	57,164,526	11,793,663	26%
Capital	6,167,924	13,635,071	7,467,147	121%	11,043,050	4,875,126	79%
Debt Service	26,249,947	28,209,511	1,959,564	7%	28,209,511	1,959,564	7%
ADM/Lottery	(1,100,000)	(3,638,153)	(2,538,153)	231%	(3,638,153)	(2,538,153)	231%
UCPS Capital & Debt Service	31,317,871	38,206,429	6,888,558	22%	35,614,408	4,296,537	14%
Other Education	1,225,795	1,257,540	31,745	3%	1,172,540	(53,255)	-4%
Total Education (excs. F&F)	\$76,873,529	\$ 96,353,495	\$19,479,966	25%	\$ 92,651,474	\$15,777,945	21%

UCPS 2007 current expense request totals \$58.2 million, an increase of \$12.8 million or 28% over 2006's original budget. The County presently funds UCPS through four revenue sources – the County appropriation (from the General Fund), supplemental taxes, local option sales taxes and fines and forfeitures. The table on the preceding page reflects how the UCPS request impacts each revenue source – with the UCPS request increasing, based on the revenue source, from 12% for supplemental taxes to 35% for the County appropriation.

The 2007 budget recommendation includes an increase of 32% from the General Fund appropriation with an overall increase of 26% for UCPS current expense.

An exhibit on page 121 reflects 10 years of financial information on the County appropriation from the General Fund, supplemental taxes and local option sales taxes for UCPS current expense. Each and every year since 2001, County funding for UCPS current expense has approached or exceeded student enrollment increases by a factor of 2 to 1. For instance, the 2007 recommended budget, excluding fines and forfeitures, represents a 24.15% increase over 2006's year-end estimate although student enrollment over the comparable period is expected to increase by about 10% - a more than 2 to 1 increase in funding. County funding continues to significantly outpace the growth in number of students.

In connection with operating capital, the UCPS request totals \$13.6 million, an increase of \$7.5 million or 121% over 2006. The recommended budget funds UCPS capital at \$11.0 million, an increase of \$4.9 million over 2006.

While the recommended budget does not fully fund the School System's request, this year's record level (over the past 10 years in terms of year over year funding amount and percentage increase) of County funding demonstrates the County's commitment to quality education.

This year, in light of the unprecedented request by UCPS for current expense and operating capital outlay and the County's record levels of education funding, more effort was taken to understand common measures of education funding levels.

Traditionally, UCPS has included in their budget submission, "local per pupil expenditures" (Local PPE) as published by the Department of Public Instruction. Presumably, the intended purpose is to compare and contrast for the reader funding levels by various public school systems throughout the State.

The County has included an exhibit on page 179. The first section of the exhibit represents the public school systems identified by the UCPS in their budget submission as "UCPS and Other High Performing North Carolina Public School Systems". The second section represents "peer group" public school systems included in the MGT of America, Inc. report dated January 7, 2005. The MGT report was jointly commissioned in February 2004 by the Board of Education (BOE) and the County Commissioners as an outgrowth of the mediation proceedings during the summer of 2003. The third section contains three public school systems – Durham because it is close to Union in terms of school enrollment, New Hanover because UCPS included the system as a peer system in its 2006 budget submission and Mecklenburg because it is a large school system similar to Wake which UCPS included in 2007 as a high performing system.

Column C "Local PPE" represents data supplied by UCPS in their budget submission which data is derived from the DPI source cited in the second previous paragraph. The source of the data contained in the other columns is DPI and the North Carolina Association of County Commissioners (NCACC) with per ADM calculations provided by the County.

DPI calculates separately, based on expenditures reported by each local school system, per pupil expenditures for *current expense* and *capital outlay*. While DPI states that current expense should only include disbursements necessary for the daily operation of the public schools, the County is increasingly convinced that there is not uniform statewide accounting by local school systems for public school expenditures among these two categories.

For instance, budget and tax survey information of comparative spending assembled by the NCACC (available at <a href="www.ncacc.org/budtax.htm">www.ncacc.org/budtax.htm</a>) on county appropriations for these two categories of expenditures differs widely from DPI and when real estate wealth available to counties to support education are included in the analysis, different conclusions regarding spending efforts may be reached.

UCPS latest comparison included in its budget submission of Union's PPE based on DPI's 2004-05 data, suggests that PPE expenditures for Union are lower in the peer group presentation (see exhibit on page 179). However, if operating capital and real estate wealth levels are included, then a different conclusion on funding effort may be reached. For instance, excluding the two city school systems from UCPS analysis (because comparable information for the city systems are not representative of countywide school systems), it is noteworthy that only Union is designated by UPI as a "low wealth" system. The low wealth system designation by DPI is based on Union's low per capita income levels and real estate values – when compared to other systems throughout the State.

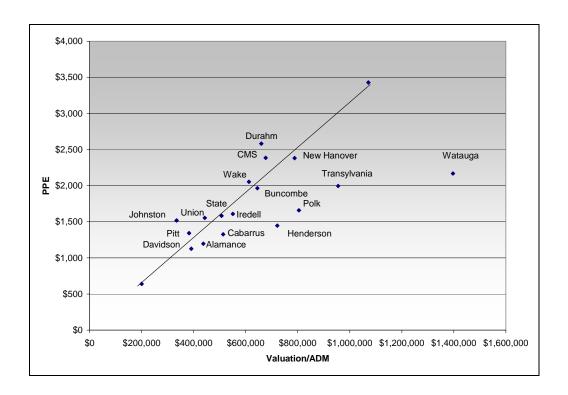

Adjusting absolute PPE spending levels by real estate wealth, which is one of the primary sources (in addition to sales tax receipts) available to counties to fund local school expenditures, Union County performs better than most of the counties in the UCPS and MGT survey.

The chart on the following page includes all the counties that appear in the exhibit on page 179. The average PPE for the counties based on the property valuation per ADM is 0.32%. The counties that appear above the trend line contribute a greater portion of their property valuation to school spending while those below the line contribute less. The farther a county is from the trend line, the greater or lesser a county's spending for schools is from the norm of 0.32%.

As an example Watauga appears on the UCPS listing as a relatively high PPE system. But as a percentage of real estate values, Watauga has a significantly higher ability to support education than many of the other counties but its education spending as a percentage of property values is much lower than virtually all the other systems.

A final example of how budgeting and financial reporting practices can affect reported spending levels in current expense and capital outlay categories is reflected in the table on the following page.

The table includes just a few of the counties that appear in the listing on page 179; two large system and several of the systems that have ADM comparable to UCPS. It is interesting to note that Union's operating capital appropriation for 2007 is double

	Enrollment	Percent	New	O&M		Current	Current	(	Capital	(	Capital
County	Growth	Growth	Facilities	Facilities		Expense	Expense	Re	com.(M)	Re	com.(M)
	YoY	YoY			(M)	Request	Recom.		2007		2006
Wake	7,060	6.5%	8	\$	3.08	8%	7%	\$	-	\$	3.1
Mecklenburg	4,442	4.8%	5	\$	4.90	11%	4%	\$	5.2	\$	5.2
Cabarrus	1,804	5.3%	NR		NR	16%	10%	\$	4.0	\$	2.5
New Hanover	884	3.7%	NR		NR	9%	6%	\$	4.7	\$	4.0
Union	2,729	8.7%	2	\$	1.30	28%	26%	\$	11.0	\$	6.1
Durham	1,465	4.8%	1	\$	0.40	12%	6%	\$	2.4	\$	1.5

the amount of any other county contribution and far exceeds the capital contribution of systems 3 to 4 times larger than Union's. We don't have any information to suggest that other systems are failing to invest operating capital in their existing system; again, it is more likely that systems classify expenditures differently and that each county and school system develops, over time, budgeting norms that work for their particular circumstances.

The County has made significant strides over the past several years to fund UCPS at greater levels. The table on page 121, which reflects per pupil spending by the County over the past decade, clearly demonstrates the County's commitment to provide UCPS increased funding designed to improve quality public education. The recommended budget containing an increase in the County's current expense appropriation of \$11.5 million or 26% and \$4.9 million or 79% in capital outlay continues that commitment.

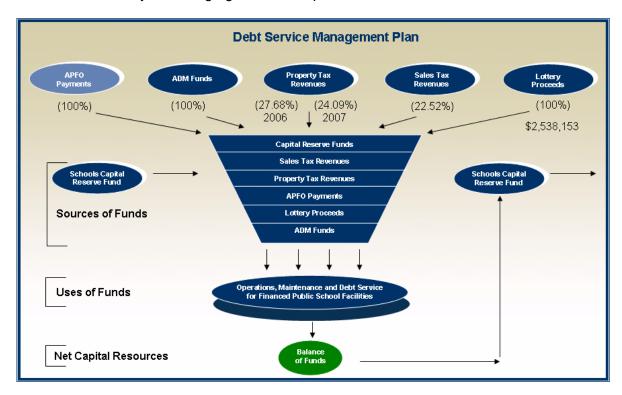

This budget recommendation for education also comes with a cautionary note. Fully one year ago, in submitting the 2006 budget recommendation, I expressed concern over the

sustainability of UCPS current expense and capital outlay requests and County Commission funding. I expressed concern over the budgeting and fiscal relationships between the Boards of Education and County Commission and the need to commit to a calendar for addressing the recommendations regarding major policy leadership issues contained in the MGT report.

Governmental budgeting, both for the annual and 2-5 year planning period, is dependent on predictability and minimizing deviations from the norm. The education appropriation process is broken ... it needs to be fixed. The County and its taxpayers simply cannot afford 35% appropriation request increases from the BOE. We must immediately begin the process of establishing a framework for education funding that is more predictable, one that provides for quality education opportunities for our children and that our community can afford.

#### Debt Service Management Plan

The County's debt service financial policies provide for the allocation of various revenue sources to the retirement of debt issued in connection with the public school capital construction program. These policies are communicated to the public in terms of fiscal impact statements associated with bond referendums and it is these policies, executed by the County Commission, which have contributed to the County's AA bond rating and recent favorable actions by the rating agencies. The plan is outlined below.

The plan for 2007 allocates \$31.4 million from the four revenue sources (ADM, property tax, sales tax and lottery proceeds) to operation and maintenance associated with the financed projects that are in service (\$3.2 million) with the balance of \$28.2 million to pay principal and interest on school debt service.

The budget recommendation for 2007 includes lottery proceeds in the amount of \$2.5 million. The budget recommendation includes an adjustment in the allocation of property taxes to the debt service management plan from 27.68% to 24.09% with the additional property tax revenues redirected to fund the \$9.8 million or 32% increase in County appropriation to UCPS.

The plan is structured to accommodate the additional issuance of the remaining \$110 million in authorized and unissued school bonds from the two bond referendums in 2004. The annual debt service of \$8.5 million associated with that issuance will be serviced from the plan without additional adjustments to the allocations from property taxes, sales taxes or lottery proceeds.

#### Other Major Budget and Program Initiatives

Fire Services

The 2007 budget includes provisions for the conversion of Springs and Waxhaw fire service districts from a fire fee to a fire tax. The implications for the County are significant. Several issues regarding these conversions have recently surfaced

First, as the County Commission is aware, the County distributes sales tax based on tax levies and taxing districts. The more tax levies and districts that exist, the greater the distribution. In many respects, not withstanding growth in retail sales, the distribution of sales tax is a **zero sum game**. For every \$1 of additional property tax levy generated by a taxing district, the district also receives about 37 cents from the sales tax. The County's General Fund losses about 26 cents, the Union County Public Schools loose about 3.5 cents and all the other municipalities and fire tax districts loose the remaining 7.5 cents. So, if all the fire fees were converted to fire taxes, the County General Fund would loose \$875,000, UCPS \$120,000 and all other districts in the County about \$255,000. Because the tax adversely impacts the General Fund, my budget proposes the elimination of the station subsidies for those VFD's that receive tax funds from the County. Subsidies for VFD's that are financed through the fire fee would continue.

Second, the district boundaries were initially drawn in the 1960's – well before the incorporation of many of our new municipalities. Several towns are now served by different fire service districts, insurance districts and VFDs. Increasingly the towns are talking about the equity and confusion to their residents of the variance in fire protection fees/charges and fire protection services.

Third, in an increasing age of transparency, taxpayers and citizens are demanding more accountability, and rightly so, of their government with respect to the provision and cost of services. Based on the current method of operating and financing fire protection services in our County, it is difficult for the County to provide appropriate answers to those valid inquiries.

I have included in my budget recommendation funds to conduct a comprehensive analysis of fire protection in the County. The study represents an effort to define adequate fire protection, analyze all methods for their financing and reach a consensus on a solution. Stakeholders in this discussion should include VFDs and municipalities.

Pending the resolution of this matter in the coming year, I recommend that further fire district conversions and major capital improvements be deferred.

#### Law Enforcement

The 2006 budget adopted by the County Commission last year provided resources for the Sheriff to conduct a growth study assessment of the agency's status in five primary areas including anticipated population growth, current and future personnel levels (both sworn and civilian), technology, training facilities and overall effectiveness of service delivery to the community.

The Sheriff and County contracted with the Department of Criminal Justice of The University of North Carolina at Charlotte and SEARCH, The National Consortium for Justice Information and Statistics.

The results of the study were recently presented to County and Sheriff's senior management team earlier this month. The authors of the report will be making a report to the County Commission within the next month or two.

The report made several recommendations around the primary areas including:

- hiring a minimum of approximately 5.2 deputies and 1.3 civilians each year in order to maintain .85 deputies per 1,000 population (slightly above the State average) to keep pace with crime rates, calls for service, and specialized law enforcement responsibilities and duties
- greater investment in new technologies and training

These recommendations have impacts on both the annual and capital improvement budgets with future challenges to insure that education needs and funding do not completely overshadow the need to continue to provide quality law enforcement.

In connection with the annual budget, five additional positions are included in the budget (4 sworn and 1 civilian). While falling slightly short of the report's recommendation, the 5 positions combined with the three additional sworn positions the County Commission approved earlier this year, meets the report's recommendations.

#### Park and Recreation

The 2007 budget proposes major investments in the County's development of Jessie Helms Park (JHP) and continued renovations to Cane Creek (CCP) and Fred Kirby Parks.

The budget includes funds for the:

- required local match (\$540K), leveraging an additional \$500K from federal/State sources, for improvements to the passive area of JHP (trails, festival area)
- renovation (\$414K) of 25+ year old bathhouses in the campground areas at CCP
- construction of the Flag Branch Creek Bridge (\$500K) at JHP to provide access to the passive area for vehicular and pedestrian traffic
- construction of a campground store/check-in station (\$332K) at the entrance to the campground

These recommended investments in our parks and recreation assets will enhance our community's quality of life by providing greater leisure time opportunities for all of our residents and continue the commitment to further the development of JHP.

Capital Improvement Plan, Capital Reserve and Bond Referendum
The capital improvement plan (CIP) for the 2006-2011 period relating to the tax supported (UCPS, SPCC, County) and utility programs is in the final stages of being completed. The development of the CIP and fiscal impact statements would have typically been delivered much earlier to the County Commission. Two factors contributed to the delay this year. First, in connection with the tax supported CIP, the BOE just recently completed and approved its submission to the County May 18. The information is currently being analyzed by County staff. Second, as the County's water and sewer master plan was being updated (last update occurred in 2000), County staff deemed it prudent to defer submission of a CIP to insure its conformance to the latest master plan updates.

County staff does not anticipate that the 2006 CIP will have any impact on the on the 2007 annual operating budget. The 2006 CIP's financial implications on the 2008 operating budget will be significant.

As indicated previously, the County has just recently received the 2006 CIP from UCPS. It is under review. While the financial review is incomplete, it is very likely that a November 2006 school bond referendum will be required to support the construction schedule. The latest date that the County Commission may take action to accommodate a referendum on the November ballot is August 7.

County staff will require several more weeks to complete their review along with the required fiscal impact statements and will be in a position to provide the County Commission with the CIPs and impact statements by mid-June. I propose that we commit to reviewing the CIPs and impact statements immediately following our review of the operating budget with decisions regarding the CIP occurring no later than mid-July.

Last year's tax supported CIP for the period 2005-2010 totaled \$567 million. This year's CIP will likely exceed that amount. The previous financial models that were utilized to support the funding of the CIP provided for the gradual use of the County reserves for equity contributions over the planning period ... so that at the end of the 5-year planning horizon the County's reserves were at the County Commission's required target levels of 16% and on par with other NC AA rated communities. The County deliberately presented the financial model in this manner because the higher level of reserves in the earlier years, pending their use in the CIP over the 5-year planning period, provided greater financial comfort to the rating agencies.

In November 2005 and March 2006, the County conferred extensively with the rating agencies regarding this approach and assured the rating agencies that the draw downs in reserves were for pay-go contributions to the CIP and that such action had the impact of reducing the total debt required to finance the CIP. The County also had discussions with the rating agencies regarding a component of the financial policies adopted by the County Commission – the requirement to transfer excess reserves beyond the target 16% requirement to the capital reserve to fund portions of the CIP. The County had deferred implementation of the policy, due to the agencies comfort regarding the large reserves, pending discussions with the rating agencies.

I am now comfortable that the rating agencies have a sufficient understanding of the CIP, the debt management plan and how the use of fund balance relates to the funding of the

CIP. I am recommending that the County Commission, prior to 2006 fiscal year end, transfer \$21 million from the County reserves to the capital fund and commit those resources to fund a portion of the CIP.

The draw down of the excess fund balance will place the County at the target 16% level. The average for our AA rated NC peer communities is 17.91%. Any further draw down of fund balance beyond the level of use provided for in the County's financial policies will place the County's rating in jeopardy. Simply stated, the excess reserves have been depleted in order to partially fund the CIP and reduce the issuance of long-tem debt ... there will be no more excess reserves available in the General Fund should the County Commission accept this recommendation.

### Elimination of Supplemental School Tax

For several years, County and UCPS officials have been discussing the financial implications of a separate supplemental tax and how that tax affects comparisons of tax burden and funding levels. The reason these discussions have occurred is that portions of County and UCPS funding are based on unit wide tax rates and appropriations to education ... the greater the local tax burden and funding to schools, the more the County and UCPS receive.

The MGT study concluded that the current method (supplemental tax and sales tax) "has a negative impact on the ability of UCPS to maximize revenues from the Low Wealth Supplemental Funding program" and recommended that UCPS take the lead and contact DPI and the County to more fully understand the complex funding methodology, determine the extent of increased funding and formulate recommendations regarding the Low Wealth program. Such effort has been delayed.

However, the NC Lottery distribution formula makes the discussions surrounding the supplemental school tax much simpler. The lottery distribution formula provides that 65% of the lottery proceeds be distributed based on ADM with the remaining 35% distributed to counties with effective tax rates that exceed the statewide average. Only countywide tax rates are included in the calculation. The table below summarizes the distribution methodology associated with lottery proceeds.

				Ra	Required ate to Receive
	Present	C	onsolidated		35%
County	\$ 0.5600	\$	0.6300	\$	0.6310
School Tax	 0.0700		-		-
Total Tax	0.6300		0.6300		0.6310
Weighted					
Sales/Assesment Ratio	0.9459		0.9459		0.9459
Effective Rate	0.5300		0.5960		0.5970
Statewide Average	0.5960		0.5960		0.5960
County's Effective Tax					
Rate/ State Average	88.93%		100.00%		100.17%
65% Distribution	\$ 2,538,153	\$	2,538,153	\$	2,538,153
35% Distribution	\$ -	\$	-	\$	2,309,359

The average statewide effective tax rates have reflected very little movement in recent years and have hovered in the range of \$0.596 - \$0.599 – reflecting the affect of sales assessment ratios on absolute tax rates.

The County's countywide rate of \$0.56 produces an effective tax rate of \$0.53 which makes the County ineligible for lottery proceeds from the 35% distribution. Consolidating the two rates, the countywide and supplemental school tax, places the County's adjusted rate at the statewide average. The rate must be in excess of the statewide average in order to receive lottery proceeds from the 35% distribution. Adjusting the rate by 1/10<sup>th</sup> of 1 cent would result in an additional \$2.3 million.

As we look to the immediate future, given the enormous challenges the County is facing in connection with funding its CIP and the tremendous pressures on the County's tax rate, it is only a limited period of time before the County's tax rate will likely exceed the effective statewide average.

For this reason, as well as greater simplification of school funding, I urge the County Commission to consolidate the two separate rates. This action, based on current funding formulas from the State, will certainly result in increased funding for public education in Union County in the near term.

#### **Utilities**

The 2007 budget provides resources to continue the implementation of the Public Works capital improvement program approved in 2005, fund operations and maintenance and to accomplish those activities with no adjustments in rates, fees or charges while adhering to major financial performance measures for 2007.

The budget submission does not contain any revisions to the capacity fee schedule or charges. A comprehensive analysis of capacity fees is currently being completed. The County Commission authorized the study in May 2005 based on the 2005 capital improvement plan and a staff recommendation to modify the schedule to a square footage basis. The study is being modified to insure it conforms to the master plan that is currently in the final stages of completion.

As stated previously, the CIP and master plan, which we anticipate presenting to the County Commission in the coming months, will have a much greater impact on the annual operating budget. That impact; however, will not occur until 2008 or beyond.

The budget adheres to the major financial performance measures adopted by the County Commission and closely scrutinized by credit rating agencies and the Local Government Commission. The table below reflects the four financial performance measures, the standard for which the County strives to achieve and the projected performance contained in the 2007 budget.

Measure	Standard	2007 Budget
Capital program % paygo	Greater than 35%	38%
Debt service coverage	Greater than 1X	1.08
Rate affordability % of		
median household income	Less than 1.5%	1.05%
Working capital days	365	365

The utility budget revenues are based on an increase in customer growth of about 6% and the maintenance of the gains in volumetric sales experienced in 2006. Should customer growth moderate as a result of plant, transmission and collection capacity issues, adjustments in the budget may become necessary. Fortunately, the financial condition of the utility fund is robust and permits a measured response should such a situation develop.

#### Solid Waste

The County's current municipal solid waste (MSW) tipping fee is \$38 per ton. The MSW tipping fee is designed to recover costs associated with the transfer station, transportation and disposal costs. Under the contract terms which provide for annual consumer price inflation adjustments, the County's disposal and transportation costs are projected to increase by approximately 3.5% effective January 1, 2007. The budget includes an adjustment in the tipping fee from \$38 to \$39 per ton, an increase of 2.6% effective July 1 to cover the increased costs associated with MSW.

#### Compensation and benefits

The budget includes 5% of compensation for merit and market adjustments in order to continue to maintain, attract and reward the most highly qualified employees. The cost of this program is estimated at \$1.6 million for 2007. Many local governments and employers in the region are beginning to experience increasing competition for labor as our regional economy continues to rebound. The labor cost index in our region has increased and we are seeing many local governments and the State of North Carolina include similar compensation adjustments as those included in the budget.

County government, by its very nature, is a human services intensive organization. It is what we do ... delivering a variety of services from public safety to health and education to social services, parks and libraries. And we make those services and programs available through PEOPLE. I am confident that the County Commission shares my belief that County employees provide those services efficiently and effectively and warrant recognition by the County Commission and community.

The County's health cost trends continue to fall below those experienced by our marketplace competitors. Based on our recent claims experience we anticipate an increase of approximately 10% in contributions from the County and its employees for dependent care.

We continue to monitor our program to ensure that it provides competitive benefits at a reasonable cost – to both the employee and the County.

By maintaining service levels and increasing support to the community's highest priority programs, Union County will continue to be recognized in the region as a great place to live, work and enjoy a high quality of life. As we lead Union County through this period of change and growth, we will strive to maintain and build partnerships with community stakeholders, and we will continue to be good stewards of the taxpayers' resources.

### Reader's Guide

This budget document describes how Union County government plans to meet the community's needs. The Union Budget Book is not only an assembly of information required for making policy and resource decisions; it is also a resource for citizens interested in learning more about the operations of their county government.

This Reader's Guide has been provided to inform the reader where particular information may be found. Union County's 2006-2007 budget document is divided into eight major sections: Introduction, Goals and Financial Policies, Budget Overview, Department and Agency Summaries, Union at a Glance, Fiscal Information, Appendices and Detail Budget line item expenditures and revenues. Each section is outlined below:

#### • Introduction

The Introduction includes the budget message from the County Manager regarding the 2006-2007 budget, the Reader's Guide, descriptions of the function of county government through boards, commissions and committees, and information on the County's Commission. Also included is the appropriations ordinance, a reconciliation between the Manager's recommended budget and the adopted budget and a proposed budget review calendar.

#### Financial Guides

This section provides information on the Commission's financial "best practices" that guide the formulation of the Manager's recommended budget.

#### • Budget Overview

The Budget Overview contains tables detailing budget sources, revenues

and expenditures. Additional information includes tables on fund balance projections, and position authorizations.

#### Agency Summaries

This section is comprised of individual agency mission statements, services and programs, outcomes, budget summaries, budget highlights and other fiscal or performance information.

#### • Union at a Glance

This section contains community profile information on Union County, its geographic location and information on the County's water and sewer system.

#### • Fiscal Information

The Fiscal Information section takes the reader through the budget process and details the budget calendar and practices established by the County to comply with the Local Government Budget and Fiscal Control Act. Information is also included on the description of the financial and fund structure and major revenue assumptions.

#### Appendices

The Appendix section includes information on capital outlay, new regular full- and part-time position information, regular full- and part-time positions by class title by department/agency and fund, and a glossary of terms.

# **Budget Review Schedule**

The County Manager's recommended budget is scheduled for delivery to the Board of County Commissioners on June 5, 2006; the budget having been filed with the County Clerk on May 26.

The County Manager proposes the following budget calendar for consideration by the County Commission.

May 26	Filing of Budget with Clerk
June 5	Presentation and overview
	of FY2007 recommended
	budget
June	Budget review sessions
June 15	Public hearing on budget
June 19	Budget adoption

It is recommended that the budget review sessions operate with the following guidelines:

- be agenda driven with the objective of completing the budget reviews scheduled for the session
- commence at 6:00 p.m.
- conclude at 9:00 p.m. or the earlier of the completion of the agenda
- discussion remain focused on budget and financial matters and program delivery

The following four (4) budget review sessions are recommended for consideration by the County Commission.

Session 1.

Date: Wednesday, June 7, 5:00 p.m.

Overview of budget content and format Summary of factors influencing the budget Proposed FY2007 budget ordinance General Government

Session 2.

Date: Thursday, June 8, 6:00 p.m.

Public Safety Economic and Physical Development Human Services

Session 3.

Date: Wednesday, June 14, 6:00 p.m.

Education
Cultural and Recreational
Proprietary & Other Funds

Session 4.

Date: Thursday, June 15, 6:00 p.m.

Public Hearing on the Budget Consensus budget ordinance

#### SECTION I. GENERAL FUND

**A.** The following amounts are hereby appropriated in the GENERAL FUND for the operation of the county government and its activities for the fiscal year beginning July 1, 2006 and ending June 30, 2007 in accordance with the chart of accounts heretofore established for this county.

General Government:	
Board of Commissioners	319,661
Central Administration	688,682
County Dues & Memberships	108,843
Internal Audit	86,158
Legal	291,235
Personnel	542,484
Finance	841,347
Tax Administration	3,620,160
Court Facilities	3,228,281
Elections	708,917
Register of Deeds	1,113,574
Information Technology	2,251,018
General Services	229,897
Public Safety:	-,
Law Enforcement	16,673,208
Communications	1,901,888
Homeland Security	262,601
Fire Services	888,930
Inspections	2,149,758
Outside Agencies	3,763,071
Economic & Physical Development:	3,. 33,51
Planning	467,587
Economic Development	627,729
Cooperative Extension	908,048
Soil Conservation	70,181
Outside Agency	53,607
Human Services:	00,001
Public Health	7,026,074
Social Services	24,657,760
Transportation and Nutrition	1,321,173
Veterans' Services	211,020
Outside Agencies	1,849,660
Education:	1,010,000
School Current Expense	57,104,364
School Capital Outlay	11,043,050
School Debt Service	28,217,511
Community College	1,162,040
Outside Agency	2,500
Cultural and Recreational:	2,500
Library	4,371,538
Parks & Recreation	3,617,821
Outside Agencies	68,000
Contingency/Nondepartmental	2,319,920
Contingency/Nondepartmental	184,769,296
	104,703,230

**B.** It is estimated that the following revenues will be available in the GENERAL FUND for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

Ad Valorem Taxes	100,668,439
Local Option Sales Tax	34,639,409
Other Taxes	3,716,000
Intergovernmental	20,069,557
Functional Revenues	12,816,087
Miscellaneous	5,924,937
Fund Balance Appropriated	6,934,867
	184,769,296

#### SECTION II. FIRE TAX DISTRICTS

- A. The following amounts are hereby appropriated in the various FIRE TAX DISTRICT FUNDS for the operation of fire protection services for the fiscal year beginning July 1, 2006 and ending June 30, 2007 with the chart of accounts heretofore established for this county.
- B. It is estimated that the following revenues will be available in the FIRE TAX DISTRICT FUNDS for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

Wesley Chapel	727,113	Ad Valorem Taxes Local Option Sales Tax Fund Balance Appropriated	440,161 217,795 69,157 727,113
Hemby Bridge	925,000	Fire Tax Local Option Sales Tax Fund Balance Appropriated	659,900 207,662 57,438 925,000
Stallings	854,676	Ad Valorem Taxes Local Option Sales Tax Fund Balance Appropriated	587,342 171,232 96,102 854,676
Springs	212,110	Ad Valorem Taxes	212,110
Waxhaw	347,055	Ad Valorem Taxes	347,055

#### SECTION III. FEE SUPPORTED FIRE DISTRICTS

- **A.** The following amounts are hereby appropriated in the FEE SUPPORTED FIRE DISTRICTS FUND for the operation of fire protection services for the fiscal year beginning July 1, 2006 and ending June 30, 2007.
- B. It is estimated that the following revenues will be available in the FEE SUPPORTED FIRE DISTRICTS FUND for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

Public Safety:	1,128,693	Fire Fees	1,125,693
		Fund Balance Appropriated	3,000
			1,128,693

#### SECTION V. **EMERGENCY TELEPHONE SYSTEM**

- A. The funds in this budget shall arise from subscriber charges set at ninety-six cents (\$.96) per month per telephone line. These funds are collected by the telephone companies in the County and remitted to the County for operation of an E-911 system.
- B. The following amounts are hereby appropriated in the EMERGENCY TELEPHONE SYSTEM FUND for the emergency 911 services for the fiscal year beginning July 1, 2006 and ending June 30, 2007 with the chart of accounts heretofore established for this county.

C. It is estimated that the following revenues will be available in the EMERGENCY TELEPHONE SYSTEM FUND for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

**Public Safety** 

1.092.300

Service Charges Miscellaneous

1,033,000 59,300 1,092,300

#### SECTION VI. **WATER AND SEWER**

**A.** The following amounts are hereby appropriated in the WATER AND SEWER FUND for the operation of water and sewer services for the fiscal year beginning July 1, 2006 and ending June 30, 2007 with the chart of accounts heretofore established for this county.

Water & Sewer

42.049.888

B. It is estimated that the following revenues will be available in the WATER AND SEWER FUND for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

Fees for Services 33.148.483 Miscellaneous Retained Earnings Appropriated

1,684,000 7,217,405 42,049,888

#### SECTION VII. **SOLID WASTE**

**A.** The following amounts are hereby appropriated in the SOLID WASTE FUND for the operation of solid waste services for the fiscal year beginning July 1, 2006 and ending June 30, 2007 with the chart of accounts heretofore established for this county.

Solid Waste

3,994,719

B. It is estimated that the following revenues will be available in the SOLID WASTE FUND for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

Fees for Services Miscellaneous

3,695,734 298,985 3.994.719

#### SECTION VIII. **STORMWATER**

A. The following amounts are hereby appropriated in the STORMWATER FUND for the operation of stormwater services for the fiscal year beginning July 1, 2006 and ending June 30, 2007 with the chart of accounts heretofore established for this county.

Stormwater

158,367

B. It is estimated that the following revenues will be available in the STORMWATER FUND for the fiscal year beginning July 1, 2006 and ending June 30, 2007.

Transfer from Enterprise Fund

158,367

	ION	

**A.** GENERAL FUND: That there is hereby levied for the fiscal year beginning July 1, 2006, and ending June 30, 2007, the following county-wide rate of tax on each one hundred dollars (\$100) valuation of taxable property situated in the County, as listed for taxes as of January 1, 2005, for the purpose of raising the revenue from current year's taxes, as set forth in the foregoing county-wide estimates of revenue, and in order to finance the foregoing county-wide appropriations:

General Fund - County-wide Rate .6367	
---------------------------------------	--

**B.** SPECIAL DISTRICTS: That there is hereby levied for the fiscal year beginning July 1, 2006, and ending June 30, 2007, the following Special District tax rate on each one hundred dollars (\$100) valuation of estimated taxable property situated in each Special District, as listed for taxes as of January 1, 2006, for the purpose of raising the revenue from current year's taxes, as set out in the foregoing District estimates of revenue, and in order to finance the foregoing District appropriations:

District	.0152	_ Springs Fire Protection District	.0313
Hemby Bridge Fire Protection District	.0464	Waxhaw Fire Protection District	.0413
Stallings Fire Protection District	.0444	-	
Monroe Special School District - Current Expense	.0000	County Special School District - Current Expense	.0000

#### **SECTION X. FIRE FEES**

These fees will be collected by the County Tax Administrator's Office and remitted to the various fee supported fire districts by the Finance Department on a monthly basis. Remittances may not exceed the budgeted amount for any given department. In the event that revenues exceed expenditures, those funds shall be withheld and used in the next year's budget appropriation as a fund balance added to the appropriation from fees collected in that year. The fees are as follows:

FIRE FEES 2006-2007		Allens Cross- Roads	Bakers	Beaver Lane	Fairview	Griffith Road	Jackson	Lanes Creek	New Salem
Percentage per request or max	ximum	100.00%	97.56%	100.00%	90.18%	100.00%	99.41%	100.00%	88.80%

Volume Charge - per 1,000 gallon	s (monthly met	ered water usage):	\$ 2.45	*	\$	3.30	*

<sup>\*\*</sup> A year round sewer billing cap is applicable to all metered water consumption over 12,000 gallons per month for residential customers using 3/4" meter.

### C. Payment Distribution:

Payments will be applied first to late charges or fees, then to sewer charges, and then to water charges.

<sup>\*</sup> Volumetric rates for residential 3/4" and irrigation meters shall be \$2.10/1,000 gallons for the first 3,000 gallons, \$2.45/1,000 gallons for the next 5,000 gallons, \$3.45/1,000 gallons for the next 4,000 gallons, \$5.45/1,000 gallons for the next 6,000 gallons and \$9.45/1,000 gallons greater than 18,000 gallons.

#### SECTION XII. PAY PLAN

A. The Pay Plan, incorporated herein by reference and approved as "Union County, North Carolina Grades and Salary Ranges 2006-2007 Effective June 24, 2006" for fiscal year 2007 reflects an adjustment of 5 percent (5%) to the grades and ranges previously approved by the Board of Commissioners for fiscal year 2006 with the adjustments necessary to remain in compliance with requirements of the State Personnel Act.

The County Manager is authorized, effective June 24, 2006, to provide a five percent (5%) market adjustment to the compensation of eligible employees, appointed and elected officials in an aggregate amount not to exceed five percent (5%) of total payroll and an inflationary adjustment to the in region travel allowance of elected officials.

#### SECTION XIII. SEVERABILITY

A. If any clause, phrase, sentence, paragraph, appropriation, or section of this Ordinance shall be held invalid, it shall not affect the validity of this Ordinance or the remaining phrases, clauses, sentences, paragraphs, appropriations, or sections.

This Budget Ordinance is adopted on June 19, 2006 and is to become effective July 1, 2006.

BOARD OF COMMISSIONERS
UNION COUNTY, NORTH CAROLINA

By:	Roger Lane	
	CHAIRMAN	

The County Manager's Recommended Budget was filed with the County Clerk on May 26, 2006, and formally presented to the Board of County Commissioners on June 5, 2005. The Board held work sessions on June 7, 8, 14, 15. A public hearing was held on June 15. The Board adopted the budget on June 19, 2006.

The adopted tax rate for FY2007 is 63.67¢, reflecting the Manager's recommended tax rate of 63.0¢ plus an

addition of 0.67¢ earmarked for full funding of the Union County Public Schools' current expense request. There were several other changes to the Manager's recommended budget which are summarized below.

This document reflects all of the adjustments to the recommended budget identified in the Board's review and as adopted in the formal Budget Ordinance.

# **General Fund**

# **Budget Changes Recap**

	Expense	Revenue	Fund Balance Appropriated
Manager's Recommended Budget - General Fund	\$ 183,655,296	\$ 176,809,429	\$ 6,845,867
Changes by the Board of County Commissioners:	_		
Tax vehicles	(42,000)		(42,000)
Union Village air duct	(140,000)		(140,000)
Inspections cost of service study	50,000		50,000
Inspections fees	(50,000)		(50,000)
Operation Reachout - landfill credit	1,000		1,000
United Family Services	20,000		20,000

UCPS Government Center & Historic Post Office occupancy costs	214,838		214,838
UCPS full funding of current expense	1,025,000		1,025,000
Additiona Tax Rate (.63 + .0067 = .6367)		1,025,000	(1,025,000)
	1,114,000	1,025,000	89,000
Board of Commissioners' Adopted Budget - General Fund	\$ 184,769,296	\$ 177,834,429	\$ 6,934,867

## **Governmental Structure and Organization**

## **Form of Government**

Union County adopted the Commission /Manager form of county government in 1965. This type of government was developed in 1909, and today is among the most prominent forms of local government in the United States.

Under the Commission/Manager form of government, the County Commission (also referred to as the "Board") performs the legislative functions of the County establishing laws and policies. The County Board of Commissioners appoints a manager who ensures that the laws and policies are carried out. The County Manager is responsible for managing the County's employees, finances and resources. The Board also appoints an attorney, who represents the Commission in all legal matters.

County government is comparable to a private corporation under the Commission/Manager form of government. Citizens are both stockholders and customers, the elected body represents the board of directors and the manager is the paid professional responsible for the daily operations of the corporation.

## **County Board**

The Union County Board of Commissioners is an elected body representing the citizens of Union County. Under the current electoral system, the Board consists of five commissioners.

### **Terms of Office**

All five Board members are elected atlarge. Commissioners serve four-year staggered terms. Annually, during its first meeting of December, the Chairman and Vice Chairman are elected by and from the Board of Commissioners. The Chairman acts as the official head of county government and presides at County Commission meetings. The Chairman is a voting member of the Commission.

Commission members are not full-time County employees, but they are financially compensated for their time and expenses.

## **Commission Meetings**

The Board of Commissioners meets regularly in formal session on the first and third Monday of each month. Board meetings are held in the 9<sup>th</sup> floor Board Room, 500 N. Main Street, Monroe. All meetings start at 7 p.m. and are open to the public. The Commission holds special meetings when necessary; notice of the meeting must be given to the public and media 48 hours prior to that meeting.

# **Commissioners Appointments to Boards and Committees**

At the Board's annual organizational meeting in December, the Board appoints its members to various boards and committees to serve as a liaison between the various boards/committees and the Commission. Often, but not always, elected officials as well as citizens serve on those committees. Commissioners' appointments to the various boards and committees are:

- Catawba River Board Chairman Lane and Vice Chairman Sexton
- Centralina COG Vice Chairman Sexton
- Fire Commission Commissioner Stone
- Farmers Market Committee Vice Chairman Sexton
- Board of Health –Vice Chairman Sexton
- Library Board of Trustees Vice Chairman Sexton
- LEPC Commissioner Stone

## **Government Structure and Organization**

- Piedmont Behavioral Health Commissioner Pressley
- Carolinas Medical Center Union Trustee Council – Chairman Lane
- Union Memorial Regional Medical Center – Chairman Lane and Vice Chairman Sexton
- Yadkin Pee Dee Committee Commissioner Stone
- MUMPO Vice Chairman Sexton
- Parks and Recreation Advisory Committee – Chairman Lane
- School Liaison Vice Chairman Sexton
- Job Ready Partnership Commissioner Stone
- Partnership for Children Commissioner Stone
- Agricultural Advisory Board Commissioner Stone
- Carolinas-Union EMS Chairman Lane
- UC Home and Community Care Block Advisory Committee – Commissioner Stone

More information on these boards, committees and commissions may be found in a later section in this Budget Book.

## **Citizen Participation**

The County Commissioners cannot effectively provide policy for all County business; therefore, the Board has established over 20 boards, committees and commissions to assist the Commission in determining the need for public policies and laws. The Board of Commissioners appoints citizens to these boards and commissions.

Nominees to any of the County boards or commissions must be county residents. Some appointees must have special licenses or meet certain professional requirements to serve on a board.

The Union County Board of Commissioners consists of commissioners Roger Lane, Kevin Pressley, Stony Rushing. Hughie Sexton and Richard Stone.

## **Biographical Information**

Chairman Roger Lane is serving his first term having been elected to the Commission in 2004. He is a graduate of the University of Alaska and is a retired USAF Lt/Colonel pilot and decorated Vietnam veteran. Commissioner Lane volunteers with The ARC of Union County and Crimestoppers. He and his wife, Jan, have 3 grown children and 3 grandchildren.

Chairman Lane 500 N. Main Street, Room 921 Monroe, NC 28112 Phone (704) 283-3810 FAX (704) 282-0121

E-Mail: RogerLane@co.union.nc.us

Vice Chairman Hughie Sexton is a first-term commissioner and was first elected to the Board in 2002. Hughie Sexton previously served on the Weddington Town Council. Mr. Sexton is a graduate of West Mecklenburg High School and attended Central Piedmont Community College and the Hudson Studio and School of Photography. Commissioner Sexton designs and composes advertising for Knight-Ridder Newspapers and also is owner of Sexton Photography.

Vice-Chairman Sexton 500 N. Main Street, Room 921 Monroe, NC 28112 Phone (704) 283-3810 FAX (704) 282-0121

E-mail: HughieSexton@co.union.nc.us

**Kevin Pressley,** also serving his first term as a County Commissioner having been first elected to the Board in 2004, is a graduate of Piedmont High School and previously served at the Mayor of Hemby Bridge. Mr. Pressley's occupation is in construction – grading and utilities as well

as farming. He and his wife Julie have two sons.

Commissioner Kevin Pressley 500 N. Main Street, Room 921 Monroe, NC 28112 Phone (704) 283-3810 FAX (704) 282-0121

E-Mail: KevinPressley@co.union.nc.us

Stony Rushing, serving his first term as a County Commissioner having been first elected to the Board in 2002, is a graduate of Piedmont High School and N.C. State University's Agricultural. Mr. Rushing is self-employed. He and his wife Anne-Marie have one son with another child expected in December.

Commissioner Rushing 500 N. Main Street, Room 921 Monroe, NC 28112 Phone (704) 283-3810 FAX (704) 282-0121

E-Mail: StonyRushing@co.union.nc.us

Richard Stone is serving in his 3<sup>rd</sup> continuous term, having first been elected to the Board in 1994. Mr. Stone graduated from Penn State University with 3 degrees: Mechanical, Electrical and Electronic Engineering Technology. Commissioner Stone is the retired owner of Signs & Stained Glass, Ltd. in Marshville. He and his wife, Vonn have 6 children, 5 grandchildren and enjoy their small farm north of Marshville.

## **Boards, Committees and Commissions**

Citizen participation on Union County boards, committees and commissions serves two important purposes: citizens are directly involved in their local government and can influence the future of their community; and the County Board of Commissioners receives timely input and information regarding issues and potential impacts on citizens.

The various boards, committees and commissions serve in various capacities to the Board of County Commissioners within their respective areas of governmental policy and operations. Members are generally unpaid volunteers who devote many hours of their personal time to these community activities. Some boards may require appointees to have a special license or meet certain professional requirements.

# • Adult Care Home Community Advisory Committee

Promotes community involvement and cooperation with domiciliary homes in meeting the needs of the elderly and disabled.

(10 members with a maximum of 20)

### Board of Adjustment

Hears appeals and requests for variances from County zoning ordinances.

(7 members, 2 alternates)

#### Board of Equalization and Review

Reviews schedule of values and hears appeals.

(5 members)

### • Farmers Market Committee

Prepares regulations for operating the Market.

(5 members includes 1 Commission representative)

### Fire Commission

Advises the Board on matters relating to fire protection.

(8 members includes 1 Commission representative)

### Board of Health

Advises the Board on matters relating to public health.

(11 members includes 1 Commission representative)

### • Historic Preservation Commission

Promotes the historical heritage of Union County and advocates for conservation of historical properties.

(13 members of which Union County appoints 4)

# • Industrial Facilities and Pollution Control Financing Authority

Provides access to financing for economic and pollution control projects.

(7 members)

## Parks and Recreation Advisory Committee

Advises the Board on policy matters pertaining to the County's park resources and recreation activities.

(13 members includes 1 Commission representative)

## **Boards, Committees and Commissions**

### Social Services Board

Advises the Board on matters relating to social services.

(5 members of which the Commission appoints 2)

### Planning Board

Develops long-range, continuing and comprehensive planning programs for the orderly growth and development of the County.

(7 members and 2 alternates)

## • <u>Carolinas Medical Center - Union</u> Trustee Council

Approves the Medical Center budget and medical staff appointments.

(10 members of which the Commission appoints 7 including 1 Commission representative)

## • Workforce Development Board

Responsible from developing policy and overseeing local workforce development initiatives.

(20 members)

## • Jury Commission

Prepares list of prospective jurors.

(3 members of which the Commission appoints 1)

# • Local Emergency Planning Committee

Advises the Board on emergency planning.

(As many as deemed necessary)

#### Library Board of Trustees

Advises the Board on policy matters relating to the County's library system.

(9 members including 1 Commission representative)

### Piedmont Behavioral Health Board

Sets policy for the mental health programs serving Cabarrus, Stanly, Rowan, Davidson and Union counties.

(20 members, 4 each from participating counties including 1 Commission member)

## Nursing Home Advisory Committee

Monitors nursing homes in the County.

(9 members with a maximum of 12)

### Agricultural Advisory Board

Promotes agricultural values and general welfare of the County.

(9 members and 1 Commission representative)

## • <u>Criminal Justice Partnership</u> <u>Advisory Board</u>

Responsible for establishing alternative punishment programs.

(26 members)

## Home and Community Care Block Grant Advisory Committee

Plans for the aging service system.

(23 members)

### Region F Aging Advisory Committee

Plans for the region's aging service system.

(26 members of which the Commission appoints 3)

## **Boards, Committees and Commissions**

## • Partnership for Progress

Coordinates economic development activities of Union County.

(11 members of which the Commission appoints 1)

## • Juvenile Crime Prevention Council

Plans for the prevention of juvenile crime in the County.

(26 members of which the Commission appoints 7)

## • South Piedmont Community College

Provides higher educational opportunities to the residents of the County.

(14 members of which the Commission appoints 3)

## Overview

These "best management practices", adopted by the Board of County Commissioners on March 15, 2004, and modified November 1, 2004 to include parameters defining the use of derivative products to mitigate the County's interest rate exposure, are influenced by the North Carolina Local Government Budget and Fiscal Control Act, sound financial principles and credit guidelines advocated by the rating agencies and Local Government Commission. Operating independently of changing circumstances and conditions, these practices guide the Board in policy decision making and provide the Manager with a framework in developing budgetary and financial planning recommendations – both in the short term (the annual budget) and long-term (capital planning and financial forecasting).

## **Operating Budget**

- The County will annually adopt a balanced budget by June 30, which will provide an operational plan for the upcoming fiscal year.
- The Manager will develop a budget which contains detailed budget recommendations for the next succeeding fiscal year (year 1) and financial targets for next budget year (year 2) following the first succeeding year.
- The County will maintain a system of budgetary controls to ensure adherence to the budget.
- Current operating revenues will be sufficient to support current operating expenditures. Fund balance appropriated for recurring expenditures will not exceed an amount that the County can reasonably expect to save during the fiscal year.
- The County will maintain an appropriated contingency account. The contingency account will not exceed 5 percent of all other appropriations within the same fund.
- Debt or bond financing will not be used to finance current expenditures.

## **Accounting**

- The County will establish and maintain an accounting system in accordance with the North Carolina Local Budget and Fiscal Control Act.
- An annual audit will be performed by an independent accounting firm in accordance with generally accepted accounting principles.
- Financial systems will be maintained to monitor revenues and expenditures on a continual basis.

### **Debt – Tax Supported**

- Tax supported debt will not exceed 3
  percent of the assessed valuation of
  taxable property of the County, 20% of
  General Fund expenditures and \$2,500
  per capita.
- Payout of aggregate principal outstanding shall be no less than 50% repaid within 10 years.
- Capital projects will be financed for a period not to exceed the expected useful life of the project.
- The County will maintain its financial condition in order to maintain a minimum bond rating in the "AA " category for outstanding G.O. debt and "A" category for outstanding installment financing agreements from at least one

## **Financial "Best Practices"**

## **Debt – Tax Supported (continued)**

nationally recognized municipal debt rating service.

- Bond referendum and debt issuance shall be considered only after inclusion of the financed projects in the County's Capital Improvement Plan and Financial Feasibility
- Bond referendum initiatives shall be placed on the ballot in connection with countywide general elections.
- Tax supported bond referendum initiatives shall be placed on the election ballot only after the development of a comprehensive debt service management plan that provides for the:
  - establishment of cash flow projections which provide an indication of fund requirements and the timing of bond sales
  - development of principal and interest repayment schedules associated with bond sales
  - development of annual operating costs associated with capital projects
  - allocation of General Fund unrestricted revenues to support the repayment of issued bonds.
- Projected bond cash flow deficits (the difference between projected bond repayment schedules and available revenues) shall be funded through increased taxes or reduction in General Fund services and programs.
- A debt service management plan and fiscal impact statement shall be developed in connection with each bond referendum initiative and shall be disseminated to the general public.
- Bond referendum initiatives that pass which contain debt service management plans providing for increased taxes shall be imposed in the

- first fiscal year immediately following the passage of the referendum.
- General Fund resources (taxes) required to service debt service expenditures shall be calculated and communicated to the general public with the annual tax bill or annual report.

## **Debt – Utility Revenue Supported**

- Utility debt service ratios shall be maintained at a level of 1.25 to 1.5 times coverage or greater.
- Utility system debt to equity shall not exceed 70% - 75%.
- Utility capital projects will be financed for a period not to exceed the expected useful life of the project.
- Utility capital projects shall be consistent and conform with other master plans such as Land Use, Economic Development and Transportation
- Utility capital projects shall satisfy area wide benefits relating to production, treatment, transmission and distribution, as well as being economically viable.
- The County will maintain its enterprise financial condition in order to maintain a minimum bond rating in the "A" category for outstanding Revenue debt from at least one nationally recognized municipal debt rating service.
- Utility debt issuance shall be considered only after inclusion of the financed projects in the County's Capital Improvement Plan and Business Plan.
- Debt issuance shall be considered only after the:
  - establishment of cash flow projections which provide an indication of fund requirements and the timing of bond sales

- development of principal and interest repayment schedules associated with bond sales
- development of annual operating costs associated with capital projects
- development of a business plan to support the repayment of issued bonds

#### Investments

- The County will monitor the receipt and disbursement of all funds to ensure the maximum investment of idle cash.
- The County will invest only in instruments which comply with the North Carolina Budget and Fiscal Control Act..

## **Capital Planning**

- The County will develop, and annually update, a comprehensive 5-year capital improvement plan for the General Fund (in collaboration with and to include the Union County Public Schools) which identifies and balances both sources (where the money comes from) and uses (where the money goes).
- The County will develop, and update semi-annually, a comprehensive 5-year capital improvement plan for the Enterprise Funds which identifies and balances both sources (where the money comes from) and uses (where the money goes).

## **Fund Balance Targets**

 The maintenance of adequate fund balance is necessary to provide working capital, funds for unanticipated expenditures, funds for capital expenditures in advance of their reimbursement from debt proceeds and tax rate stabilization.

- General Fund target fund balances are estimated at 16%.
- Water and Sewer Fund target fund balances are estimated at 365 days cash on hand.

#### **Excess Fund Balance**

 General and Enterprise Fund balances in excess and Enterprise Fund balances in excess of target levels will be transferred to capital reserve funds to provide equity resources to fund the County's capital improvement plan.

### **Swap Agreements**

- Authorized to achieve a reduction and/or limit the financial exposure of debt service payments
- Must receive an opinion of bond counsel law firm that agreement is legal and binding
- Must receive Local Government Commission approval
- Must retain independent certification from financial advisor that swap agreement provides fair market value and that the associated risks are prudent risk appropriate for the County
- Counterparty must have two long-term, unsecured credit ratings in at least double A category
- Swap agreements may be procured either through negotiation or competitively. If negotiated, County must receive fair market opinion from financial advisor

#### **BUDGET HIGHLIGHTS**

The increase in personnel expense is attributable to higher FY07 health benefit costs and Board compensation and transportation allowance adjustments. Operating expense decrease is due to the combined impact of lower budget projections for purchased legal services (\$50K) and higher transportation, communication and property and casualty costs (\$7K).

To supervise and direct the administration of all County departments, Boards, Commissions and Agencies under the general control of the Board of County Commissioners.

#### AGENCY PROGRAMS

Supervises and Directs County Agencies

Translates & Executes BOCC Policy

**Develops Policy Alternatives** 

Liaison to Public & Governmental Agencies

#### **FY2007 MAJOR OUTCOMES**

Oversee the implementation and achievement of the Board of Commissioners policy leadership initiatives.

Prepare and administer a balanced budget for 2007.

Provide a program of public information regarding public policy initiatives; keep the public abreast of significant matters effecting their lives.

Provide timely information to the Board of Commissioners.

Participate actively in local, State and national organizations such as NCACC and NACO in order to strengthen relationships and keep the Board of Commissioners apprised of legislation impacting the County.

#### **BUDGET HIGHLIGHTS**

The increase in personnel expenses is mainly due to FY07 funding of salary and benefit expenses (\$140K) of an Assistant County Manager position and higher FY07 health benefit costs (\$4K) partially offset by the balance of FY06 salary and benefit funding eliminations (\$65K). The increase in operating expenses is attributable to the publication and distribution of the annual report.

INTERNAL AUDIT 10-540700

#### **MISSION STATEMENT**

To provide consulting and auditing services that identify and reduce risk to County government through the use of proper internal controls and the promotion of the most effective and efficient use of scarce County resources.

#### **AGENCY PROGRAMS**

Compliance Audits Fraud Investigations Financial Audits

Performance Audits External Audit Coordination Internal Control Analysis

Special Projects Incentive Grant Audits Weekly Check Run Audits

#### **FY2007 MAJOR OUTCOMES**

Conduct a fraud seminar available to all departments and especially for those departmental employees who enter and process invoices.

Successfully complete the audit engagement with the new external auditors as measured in part by the timely completion of the audit field work.

Make the fraud "hotline" available to citizens and outside personnel through the use of Union County's web site.

Monitor the on-going audit of the electronic payroll time card program throughout the year to ensure that departments are complying with County Policy as well as Department of Labor and Fair Labor Standards Act laws and rules.

Audit monies received in various departments to ensure that all monies are being deposited on a timely basis and in compliance with State statutes and Union County policies.

PERSONNEL 10-540900

#### MISSION STATEMENT

To provide Union County Government with an equitable and effective system of administration for the recruitment, classification, development, and retention of competent, diligent, and honest career employees. To provide a full range of services in order to promote a positive and productive work environment that is safe, healthy, representative, and fair. To facilitate creativity, innovation and teamwork that allows County employees and departments to realize their potential.

## AGENCY PROGRAMS

Classification and Compensation Regulatory Compliance Safety / Workers' Compensation

Recruitment / Retention Employment Benefits Risk Management

Employee Relations Training / Testing Insurance / P&C / Auto

### **FY2007 MAJOR OUTCOMES**

Relocation of the Personnel Department to the 1st floor of the Government Center in order to provide: 1) the general public better access to employment/testing services, 2) adequate training/meeting/testing facilities, 3) office/file storage that is compliant with federal and State personnel and HIPAA privacy requirements.

Obtain State Personnel Commission certification that Union County personnel administration is "substantially equivalent," to the recruit-ment/selection, position classification, pay administration, training, employee relations, equal employment opportunity and recordkeeping related to the employment of 282 local Health and DSS employees subject to the State Personnel Act.

Monitor employee turnover/retirements in order to develop replacement/succession methods and classification/compensation strategies to reduce/eliminate any disruption of County services. Identify vendors/software/programs/etc. that could provide succession planning methods in a cost effective/efficient manner. Provide dedicated/focused compensation/classification services with additional staff.

Strengthen personnel management skills at all levels of the organization through ongoing policy/best practice program/updates and regulatory compliance/equal employment/workforce development training for supervisors.

Increase the amount/effectiveness of employment/benefit related communications to the organization.

Identify/implement an automated performance appraisal system to create time savings/efficiencies through out the organization.

## **BUDGET HIGHLIGHTS**

Increase in personnel expenses is mainly due to FY06 compensation adjustments (\$22.1K), an additional employee (I month, \$5K) and higher FY07 health benefit costs (\$2.5K). The operating expense increase is mainly due to additional workforce management software modules (\$14K), implementation of training webinars (\$7.5K), implementation of 5 year service awards (\$5.4K), and background checks/testing (\$3.3K) net of one-time costs in FY06 for computers and upgrades (\$16K) and workforce management software modules (\$10K).

## **BUDGET HIGHLIGHTS**

The majority of the increase in personnel expense is due to higher FY07 health care costs (\$5K) and FY06 compensation adjustments. Operating expenses reflect minor increases over FY06.

## **BUDGET HIGHLIGHTS**

Personnel cost increase is attributable to one additional auditor position (\$46.8K), FY06 compensation adjustments (\$72.7K) and higher FY07 health benefit costs (\$31.9K). Operating expense decrease is due mainly to reductions in software maintenance (\$49K) and postage (\$8K) net of increases due to new contract appraiser (\$15K), office equipment (\$4K), education expenses (\$5K), and fuel and vehicle maintenance costs (\$8K).

# **BUDGET HIGHLIGHTS**

Operating expense increase is due to additional printing and office supplies for various court related offices (\$12.5K) and higher facility maintenance costs (\$68.8K). The decrease in other expense is mainly due to reduced funding for the Domestic Violence position (FY06, full year, \$43.6K; FY07, half year, \$21.8K) and lower debt service expenses (\$43.9K).

ELECTIONS 10-541700

#### MISSION STATEMENT

Provide U.S. citizens in Union County with the opportunity to exercise their right to vote in the appropriate jurisdictions, establishing convenient and effective voter registration, voting sites and service, "No Excuse" voting sites, voting sites that are ADA compliant, and offer access to provisional voting. Operate the election process in an open, fair and efficient manner as set forth in the Constitution and General Statues of N.C. and the United States of America.

## AGENCY PROGRAMS

Candidate Filings/Election Day Co-ordination Recruitment of Precinct Workers Geo-Code-Mapping/Annexations

Citizens Awareness Campaign Reporting Voting Machine Maintenance

Voter Registration Absentee Voting Precinct Polling ADA Accessible

## **FY2007 MAJOR OUTCOMES**

Implement the new Voting System as mandated by the State Board of Elections and to make the transition as smooth as possible for the Voter.

Have all elections run smoothly and efficiently and have no contested elections.

Continually strive and work for Voters' satisfaction

Maintain rapport with candidates and treat them fairly and competently.

Improve the Board of Elections web site for citizens use regarding voter registration and procedures.

Continually review office practices and procedures to reduce costs while maintaining quality of service.

Further the education of our staff plus cross training of all staff members.

## **BUDGET HIGHLIGHTS**

Personnel expense decrease is attributable to only one general election in FY07 (\$60K) net of FY06 compensation adjustments (\$26K) and higher FY07 health benefit costs (\$1.4K). The increase in operating expense is due to new voting system supplies and maintenance costs (\$96K), the purchase of additional voting machines (\$59K) net of decreases for only having one general election in FY07 (\$152K). Decrease in revenues due to one-time State Grant in FY06 for new voting machines (\$614K) and no municipal elections in FY07 (\$105K).

## **FY2007 MAJOR OUTCOMES**

Provide more space for office.

Evaluate, in conjunction with Information Technology and Tax Administration, current computer and imaging technology and validate current technology platforms for cost and effectiveness.

Initiate back file conversion projects and schedule for future years.

Issue birth certificates, death certificates and marriage licenses through the installation of vital records, software and hardware system.

Ensure staff members availability to attend workshops and maintain hours for certification.

Attend seminars and conferences to keep abreast of General Statute law changes.

Restore damaged books with new binders and ensure security of all documents.

## **BUDGET HIGHLIGHTS**

The increase in personnel expenses is attributable to the annualized impact of an additional position approved in FY06 and in-grade compensation adjustment (\$34.9K) and higher FY07 health benefit costs (\$7.7K). The decrease in operating expense is due to a copier system purchase in FY06 (\$23K) net of increases in FY07 for copier system controllers (\$4K) and archive imaging services (\$5.7K). The increase in revenue is due to department permit charges (\$200K) and service charges (\$29K).

To provide consistent, cost-effective, convenient and reliable Information Technology services to Union County. To support applications and initiatives which provide increased efficiency and effectiveness while continuing to improve the hardware, communications, and software components of the Information Technology infrastructure.

**AGENCY PROGRAMS** 

Computer Operations Office Automation Training

PC Support Communications

Programming Wide Area Network

## **FY2007 MAJOR OUTCOMES**

Enhance Public Safety software for the Sheriff's department to provide access to public and to allow all law enforcement agencies to enter crime information for their agency.

Install second AS400 for high availability of AS400 applications (E-911, Sheriff's Office).

Enhance Intranet and Internet. (More services for the public).

Expand use of Document Imaging.

Provide a work order system for Public Works.

Continue enhancements to the GIS system and acquire various data layers for GIS (impervious surface, etc.).

Deploy 2004 Color Orthos for use by County departments and general public.

Modify Motor Vehicle Billing system to support mandated monthly billing.

## **BUDGET HIGHLIGHTS**

The personnel increase is attributable to higher FY07 health benefits costs (\$6K). The increase in operating expenses is mainly due to additional software licenses (\$121K) net of reductions in education and memberships (\$32K) and the one-time FY06 expense for a 5 year strategic plan (\$34K). Capital outlay includes funds for the AS400, phone connectivity, storage drives, GPS unit, 4 servers and 6 radios for wireless connection (\$452K).

To provide efficient, clean and safe facilities, vehicles, and grounds thus maximizing their useful life and providing a productive environment for employees and the public.

To provide responsive and effective management of the procurement of supplies and services while maintaining the highest level of professional ethics and integrity.

To provide for street sign placement and maintenance and provide ADA and directional signage for County facilities.

## AGENCY PROGRAMS

Project Management	Housekeeping & Maintenance Program	Procurement Card Management
Buildings Modernization	Five Year Capital Improvement	Vehicle Inspection & Maintenance
Fixed Assets	Surplus Assets Maintenance & Disposal	Acquisition & Disposal of Vehicles

### **FY2007 MAJOR OUTCOMES**

Insure the proper care & maintenance of County facilities & grounds by responding to 95% of emergency situations within one hour.

Respond and correct 95% of all routine maintenance & repair requests within five working days, as evidenced by completed work orders.

Respond and correct 95% of all electrical problems within three working days after notification, as evidenced by completed work orders.

Maintain & repair 95% of all road signs within three working days after notification.

Preserve & improve the appearance of County historic and public facilities/grounds in accordance with expectations.

Continue to provide efficient and helpful service to County departments.

Maintain a high standard of efficiency and professionalism in the supervision of the competitive bidding and proposal process.

Provide advanced training of purchasing division personnel in diverse procurement areas in order to maximize productivity.

Schedule, diagnose and effect repairs on 99% of all County vehicles within two working days, as evidenced by completed work orders.

## **BUDGET HIGHLIGHTS**

The decrease in personnel expense is due to eliminating two personnel positions (\$73.5K) net of increases due to FY06 compensation adjustments (\$10.3K) and higher FY07 health benefits costs (\$6.8K). Operating expense increase is due to operating the Ag Center for a full year and the Animal Shelter for 9 months (\$161K), Union Village air duct cleaning (\$140K), increases in professional services (\$250K) net of reductions in resale purchases, garage inventory expense, telephone expense and vehicle accident repair costs (\$50.2K) and one-time FY06 expenditures (\$22.4K). Capital outlay includes funds for Union Village carpet replacement, Government Center balcony/handrail repairs, Historic Courthouse courtroom repairs, Historic Post Office parking lot reconfiguration and Judicial Center's Clerk of Court's office card access and a replacement vehicle. (Adopted amount eliminates Union Village air duct cleaning (\$140K).)

To enforce the law in a fair and impartial manner while providing an optimum level of service to the citizens of the County.

To provide for the safety and security of the community by providing a secure, humane and sanitary facility for the incarceration of persons ordered held by the Courts, and to provide safe, efficient, prompt and secure transportation for persons as required by the Courts.

To protect the public health and safety through control of stray, unwanted and nuisance domestic animals and to conduct public education concerning rabies and responsible pet ownership.

## AGENCY PROGRAMS

Calls for Service
Permit Issuance & Fingerprinting
Investigations
Court Bailiffs and Security
DARE and School Resource Officers
Service of Civil and Criminal Processes

Public Education Programs
Volunteer & Community Service Work Program
County Jail
Transportation of Incarcerated & Court Directed Persons
Medical Care for Inmates

## **FY2007 MAJOR OUTCOMES**

Open and assume operation of new Animal Services Facility.

Continue Jail expansion initiative.

Acquire land and construct a firearms range and assume operation of the program and facility.

Continue to address patrol officer staffing levels.

Expand accounting/payroll services capabilities within agency.

Purchase new mobile command center to be utilized by County emergency services agencies.

Expand sheriff's office evidence room and add mobile training classrooms to facility.

## **BUDGET HIGHLIGHTS**

The personnel expense increase is mainly due to 4 additional Patrol Officers (\$167K), an Accounting Technician (\$24K, 1/2 of year), annualized impact of 11 positions partially funded in FY06 (\$172.4K), FY06 compensation adjustments (\$199.6K) and higher FY07 health benefit costs (\$130.4K). The decrease in operating expense is due mainly to one-time expenses in FY06 for law enforcement/jail facility maintenance/repairs (\$88K), tools/supplies (\$88K) and growth study (\$52K); change in inmate food service provider (\$78K) and inmate medical service savings (\$34K); and wearing apparel cost/usage adjustment (\$36K) net of increases for 4 additional patrol positions' supplies/training/fuel (\$71K); higher animal medical services (\$6K) and facility maintenance costs due to opening Animal Service Center (\$40K); as well as higher fuel costs (\$22K). Capital includes evidence room lockers (\$37K), mobile evidence storage system (\$25K), evidence bar-coding system (\$15K), 25 patrol vehicles (\$612K, 4 new), 2 transport vans (\$43K), 25 mobile data computers (\$212K, 4 new), 12 digital in-car cameras (\$71K, 4 new) and 2 transport van cells (\$16K).

COMMUNICATIONS 10-543200

#### MISSION STATEMENT

To provide the citizens of Union County direct and immediate access to County Emergency Services through the maintenance of efficient, and reliable communication systems.

# **AGENCY PROGRAMS**

911 Emergency Telephone System FCC Licensing Courthouse Switchboard

After Hours Answering Point Emergency Service Dispatch

Emergency Two Way Radio System Management County Roads Data Base Management

### **FY2007 MAJOR OUTCOMES**

Continue Emergency Medical Dispatch (EMD), Emergency Fire Dispatch (EFD), and Emergency Police Dispatch (EPD) Certifications.

Achieve performance standards as outlined by the National Academy of Emergency Dispatch and provide the necessary continuing education/training requirements.

Enhance the quality assurance/improvement review process.

Develop and implement standard operating guidelines for Police, Fire, and Emergency Medical Services.

Develop and maintain a quality training program, that includes training existing employees in proper evaluation and one-on-one training methods.

Develop and maintain a process which ensures accuracy for the assignment and maintenance of 9-1-1 addresses.

Provide proper leadership training to all shift supervisors, that includes motivating others and team building skills.

Continue to enhance the ability to provide interoperable communications within Union County.

## **BUDGET HIGHLIGHTS**

The increase in personnel expenses is attributable to full year funding of additional positions authorized in FY06 (\$90K), market retention compensation adjustments (\$78K) and higher FY07 health benefit costs (\$33K) net of the elimination of 2 regular part-time positions and the referral/signing bonus program (\$76K). Operating expense decreases are due to one-time expenditures in FY06 relating to protocol training (\$53K), decreases in supplies and training due to new FY06 personnel (\$20K), change in telephone service providers and a decrease in utility costs (\$23K), and decreases in maintenance and professional services (\$23K).

FIRE SERVICES

## **MISSION STATEMENT**

To protect the lives and property, both commercial and residential, of the citizens of Union County and reduce the effects of the ravages of fire through code enforcement, fire prevention and public education.

AGENCY PROGRAMS	Perform annual pump test for VFW's	Support Fire Commission
Code enforcement inspections of all commercial occupancies including private and public schools, foster homes, and day cares	Maintain (service/paint) fire hydrants	
Issue Certificates of Compliance for new occupancies	Maintain County owned rescue equipmen	nt
Support Union County Emergency Management	Conduct fire origin and cause investigation	ons

## **FY2006 MAJOR OUTCOMES**

Provide inspections in accordance with State requirements.

Provide support to all 18 Volunteer Fire Departments - fire investigations to reporting.

Provide fire prevention awareness to the community using the Fire Safety Trailer.

Provide Fire Commissioner with accurate and up-to-date information as needed.

Provide support to Union County Emergency Management

## **BUDGET HIGHLIGHTS**

The increase in personnel expense is due to FY06 compensation adjustments and higher FY07 health benefit costs. Operating expense reduction is attributable to the one time expense in FY06 of \$75K for the County's capital contribution to City of Monroe for construction of a fire drafting pit, decrease in operating supplies (\$30K), and the elimination of fire subsidy payments to VFD's which are supported with fire tax funds (\$230K) net of the expense associated with the VFD study.

## **MISSION STATEMENT**

To provide for the health, general welfare, and public safety of the citizens of Union County through the enforcement of the NC State Building Code and the Union County Land Use Ordinance.

## AGENCY PROGRAMS

Customer Service Perform Inspections Issue Permits

## **FY2007 MAJOR OUTCOMES**

Provide inspections to 99% of requests within the next business day following receipt of requests, if called in by 5:00 p.m. Customer requests for inspections through the use of mobile highway services, may be made until 5:00 p.m.

Review 100% of all commercial blueprints submitted for code compliance and contact the owner or contractor with results within three working days.

Continue quality control programs to minimize re-inspection rates caused by contractors with objective of maintaining re-inspection rates below 10%.

## **BUDGET HIGHLIGHTS**

The increase in personnel expenses is mainly due to FY06 compensation adjustments (\$35.1K) and higher FY07 health benefit costs (\$18.8K). Operating expense increase is due primarily to replacement of computers, scanner, and printer (\$7.6K), fuel, and vehicle maintenance/repair costs (\$16.3K) and programming for an online permit status web page (\$5K) net of reductions in education and telephone service costs (\$7.7K). Capital outlay for FY07 includes the replacement of three vehicles.

Provide for the effective and efficient administration of the policies of the Board of Commissioners regarding long-range (future direction of growth and facilities) and current planning (standards for growth in growth management ordinances).

## AGENCY PROGRAMS

Subdivision/Site Plan Review Land Use Planning Land Use Data Base

Rezoning Process Adequate Public Facilities Land Use Ordinance

Addressing/Road Naming

### **FY2007 MAJOR OUTCOMES**

Develop and present to the Board of County Commissioners an updated comprehensive County Land Use Plan to create a framework for the development of future public policy and a more workable plan that can help guide decisions about growth, economic development, the environment, public investments, and quality of life factors.

Secure consultant services to produce an updated County Land Use Ordinance to help implement the Land Use Plan, adopted Thoroughfare Plan, approved County Water and Sewer Plans, and the economic development strategies of the County.

Manage and coordinate activities to implement the Adequate Public Facilities Ordinance for public schools.

Develop land use data bases for land use and public facilities planning.

Provide a variety of training opportunities for Planning Board members through the Institute of Government, the Council of Governments, and the American Planning Association.

Continue efficient day-to-day services to citizens through subdivision/site plan review, rezoning process, addressing/road naming and general inquiries regarding growth and development.

## **BUDGET HIGHLIGHTS**

The increase in personnel expenses is due to a Senior Planner position (FY07) to manage and coordinate the new APFO process and review system (\$61.6K), FY06 compensation adjustment (\$6.1K), and higher FY07 health benefit costs (\$5.9K). The decrease in operating expense is due to the costs for the Land Use Plan and APFO development in FY06 (\$305K) net of increases for development of the APFO including professional services (\$25K), office equipment and supplies for the new position (\$9.4K) and a text amendment (Section 53 of the LUO) requiring posting of notification signs in major subdivisions (\$2.5K).

## **BUDGET HIGHLIGHTS**

Fiscal year 2007 expenses include the economic development, non-profit contract with Union County Partnership for Progress (UCPP) with a contract extension through the fiscal year based on the current contract's monthly financial terms with a matching provision of private sector contributions not to exceed \$125,000. The remaining \$224,000 reflects economic development incentive contracts the County is contractually obligated should the recipient meet the contract's terms and conditions in connection with investment and job creation.

## AGENCY PROGRAMS

Enhancing Agricultural, Forest and Food Systems

**Building Quality Communities** 

Conserving and Improving the Environment and

Strengthening and Sustaining Families

Natural Resources

Developing Responsible Youth

## **FY2007 MAJOR OUTCOMES**

Plan and implement a comprehensive educational program aimed at improving production, profitability, and marketability of agricultural commodities.

Design and implement a strategic plan aimed at ensuring the quality and sustainability of natural resources including farmland, open space, wildlife habitat and water.

Network with other county agencies to develop a comprehensive strategy for reacting to challenges brought on as the result of animal disease or contamination of the food supply whether natural or as a breach of national security.

Plan and implement a comprehensive educational program aimed at improving the health and well being of the counties families. This includes all aspects of family resource management, health nutrition, and financial independence.

Develop an on-going youth development program aimed at enhancing the science and life skills of area youth ages five to nineteen.

## **BUDGET HIGHLIGHTS**

The personnel expense increase is attributable to FY06 compensation adjustment (\$4.6K) and higher FY07 health benefits costs (\$1.1K). Increase in operating expenses is due to a full year of facility maintenance and cleaning costs (\$83K) net of one-time expenses in FY06 related to the move to the Agricultural Service Center (\$35.7K).

## **BUDGET HIGHLIGHTS**

The increase in personnel expenses is mainly due to FY06 compensation adjustments (\$3.7K) and higher FY07 health benefit costs (\$6.6K). Operating expense decrease is due to elimination of proposed contract Environmental Education Specialist position with the School System (\$41.3K) and one-time items in FY06 (\$3.2K). Funding of one position not required in FY07 (\$57.7K).

PUBLIC HEALTH 10-5511XX

#### MISSION STATEMENT

To promote health, provide education, prevent disease, and minimize the potential for the spread of disease from environmental sources.

# **AGENCY PROGRAMS**

Breast, Cervical Cancer Control Communicable Disease Maternal Health WIC Nutrition and Breastfeeding

Children's Health Family Planning Smart Start Dental Program

Child Service Coordination Immunization Action Plan Wise Woman Environmental Health

### **FY2007 MAJOR OUTCOMES**

Prevention and control of disease through STD clinics, and TB and HIV prevention through education, counseling, testing and follow-up.

Provide services (such as grant writing) to acquire funding for various health education programs in the community and Health Department.

Provide prenatal care to low income women to enhance the outcome of healthier babies.

Provide education to prenatal and post-partum women regarding the benefits of breastfeeding.

Provide preventative healthcare to Medicaid children as well as primary care services as requested.

Continue to remove barriers that prevent children from being immunized on time.

Provide vision, hearing, dental and developmental evaluations to children in the child care setting.

Implement adult dental care, including dentures and partials for Medicaid clients.

Provide developmental screening training to physicians' offices.

Provide case management to children from birth to 5 years of age at risk for developmental delay.

Reduce and prevent breast and cervical cancer mortality and morbidity among 50 years and older low income women.

Provide additional preparedness training for staff for better response to Bioterrorism/disasters.

Develop/implement revised LPP Maintenance and Monitoring Program with the NC Division of Environmental Health, and reduce backlog of inspections.

Investigate and take appropriate corrective action related to incidents of food-borne disease outbreaks.

# **BUDGET HIGHLIGHTS**

Increase in personnel expenses is mainly due to FY06 State mandated compensation adjustments (\$182.3K), higher FY07 health benefit costs (\$74.7K) and an additional 2.3 employees (\$108.3K). The increase in operating expense is due to implementing the denture/partials program (\$73.1K, 75% covered by service charges), implementing contract peer breastfeeding counselor (\$12.3K), higher facility maintenance costs (\$19.6K), increasing flu vaccine costs (\$8.5K), office supplies/equipment for 2 new positions (\$8.6K), pharmacy software (\$5K), and higher anticipated fuel costs (\$3.7K) net of one time expenses in FY06 (\$36K). Capital includes one vehicle for an additional Environmental Health Specialist (\$11.8K) and a replacement X-ray film processor/developer for the dental program (\$5.1K).

SOCIAL SERVICES 10-5531XX

#### MISSION STATEMENT

To partner with families in achieving economic well being, safety and permanence within our community.

AGENCY PROGRAMS			
Administration	Donations	Special Assistance for Adults	Work First Family/Emergency Assist.
USDA Commodities	Foster Care	Crisis Intervention Program	Group Home for Children
Family Planning	Medicaid	Residential Treatment for Children	Counseling Services
In Home Aide Services	Aid to the Blind	Community Alternative Programs	Advocacy for the Child
Child Care Block Grant	Adult Day Care	LINKS Adolescent Program	Recommendations to the Court
Adoption Assistance	General Assistance	Share the Warmth/Project Share	Community Referrals for Services
Adolescent Parenting	Food Stamps	NC Health Choice	Protective Services for Adults

#### **FY2007 MAJOR OUTCOMES**

To reduce client wait time in the reception area by 30 minutes.

To electronically store client records in two programs as they are closed.

To initiate a new supervisory training program.

To increase the number served by the CAP In-Home Program by 20%

To streamline the Work First Program process for helping persons become employed.

To increase fraud collections by 30%.

To achieve certification for all agency interpreters.

To provide Medicaid coverage for 600 more children.

To make organizational and procedural changes to manage caseload growth.

To access new funding streams to serve children and families.

Most administrative expansion costs address:

- 1. The volume of applications for public assistance;
- 2. the growing number of requests for utilities and energy assistance expressed by families in poverty;
- 3. and the increased need for efficient communications with Spanish-speaking families that DSS serves.

# **BUDGET HIGHLIGHTS**

All Administration budget requests are targeted to available open-ended federal funding streams, when possible. The reauthorization of the Title IV-E Waiver program for North Carolina is providing an additional funding stream for Children's Services. State estimates for Medicaid claims show a slower growth than previous years as a result of prescription drug cost shifts to Medicare and because federal participation rate increased for Medicaid. Caseload growth continues in the Medicaid and Food Stamp programs at a rate higher than the County's population growth. In 2005, the Medicaid caseload increased by 12% (1,520 cases) and the Food Stamp rolls grew by 11% (400 cases). Intake units are receiving record numbers of walk-in emergency requests for assistance due to utility cutoff and eviction notices. Requests from the elderly and disabled average 250 per month and requests from families with children average 375 per month. Organizational and procedural changes have been attempted to manage the growth and 1.5 FTE's were approved in 2005-06 to help with the increasing caseloads in Food Stamps and Medicaid. However, the workload has grown faster than the remedies. Work units are now unable to process cases timely and are making case errors much more frequently. These factors contribute to overpayments and fraud.

To provide efficient transport for the citizens of Union County while working towards meeting the changing and increasing needs of the County's residents, employers, and contracting agencies.

To provide services to the senior citizens of Union County which will enable them to maintain and improve their mental and physical health, thus enabling them to remain independent in their homes for a longer period of time.

### **AGENCY PROGRAMS**

Home and Community Care Block Grant Elderly and Disabled Transportation Assistance Prog. Congregate Meals

Human Service Transportation NCDOT Community Transportation Program Home Delivered Meals

Rural General Public Program NCDOT Technology/Capital Assistance Program Supplemental Meals

#### **FY2007 MAJOR OUTCOMES**

### **TRANSPORTATION**

Apply for, implement and oversee the six grant programs listed above.

Assure Federal Compliance is maintained for all funding received.

Provide 60,000+ trips to Union County citizens by June 30, 2007.

Generate reimbursement of \$450,000+ in grant funding by June 30, 2007.

Create Memorandum of Understanding with Anson County to coordinate out of county trips (Charlotte) for residents of the County, thus providing additional trips within Union County.

#### NUTRITION

Continue to explore ideas to increase the interest and attendance in the Congregate Meal Program.

Expand volunteer pool and provide recognition of the 280+ current volunteers.

Provide 92,000+ meals (hot & Ensure Plus) to currently identified and new senior citizens through one of three programs by June 30, 2007.

# **BUDGET HIGHLIGHTS**

The increase in personnel expenses is mainly due to FY06 compensation adjustments (\$18.9K), additional part time hours for van cleaning (\$5.6K) and higher health benefit costs (\$10.5K) net of one-time unemployment costs in FY06 (\$5K). The increase in operating expense is due to higher fuel costs and increased mileage (\$27.5K), Routematch contract (\$1.4K), higher facility maintenance costs (\$2K), and vehicle maintenance (\$7.4K) net of one-time costs in FY06 for CTIP 10% match and food service RFP (\$5.3K).

# **BUDGET HIGHLIGHTS**

The increase in personnel expense is mainly due to higher FY07 health benefit costs (\$1K). The increase in operating expense is due to rental and professional service costs related to the use of the AG Center (\$4.2K) net of a reduction in veteran transportation costs due to combining trips (\$1.6K).

#### **FY2007 MAJOR OUTCOMES**

To provide for the programming demands and patron assistance needs of Waxhaw branch library users.

To provide a mobile computer lab to increase the number of classes for the public and the number of participants in each class.

To improve the public usability of all of the libraries through the use of signage systems.

To complete planning and begin construction on the South Western Union Regional Library to serve residents of Marvin, Weddington and Wesley Chapel.

To begin planning for a new regional library in the Waxhaw area, to better serve residents of Waxhaw, Mineral Springs and SSW-South Central Union County.

To secure the integrity of our networked data against loss resulting from power failures.

# **BUDGET HIGHLIGHTS**

The personnel expense increase is attributable to FY06 compensation adjustments (\$11K), increased benefit costs (\$16K) and higher FY07 health benefit costs (\$32K). The operating expense increases are due to an internet infrastructure grant (\$44K), allocation of facility maintenance costs (\$42K), an increase in books and supplies (\$24K), indoor signage (\$15K) and additional education costs (\$7K) net of reductions in software maintenance costs (\$12K) and telephone costs (\$7K) and one-time FY06 LSTA grant expenses (\$14K).

To provide quality recreational activities for all citizens, through safe and well-maintained parks, hands-on outdoor activities, well organized athletic programs, senior games competition, and other special events.

### AGENCY PROGRAMS

Wildlife Education Activities for Recreation Special Recreational Activities

Conservation Education Recreational Sites and Venues Conservation of Natural Resources

Financial Support for Local Recreational Associations Special Events Areas

#### **FY2007 MAJOR OUTCOMES**

Open the Jesse Helms Park soccer complex and surrounding facilities to the public in order to provide recreational opportunities to Union County citizens. Continue to advertise and make the festival area available for use by many varied and diversified groups.

Continue customer focus and better management of reservations by accepting payment through credit/debit cards over the phone, via the internet or in person.

Provide better customer service at the campground by way of development of the new entrance into the campground (included in the 2007 budget) and the new campground/check-in station requested in the 2007 budget.

Obtain commitment for park development in the western and northern parts of the County.

Maximize scheduling of the athletic fields at Jesse Helms Park and Fred Kirby Park through use of park attendants assigned to oversee park use. Provide a new and exciting family recreational event in the form of a spring and fall festival at Cane Creek Park.

Increase accessibility for all citizens to areas that are not currently accessible in the campground area of Cane Creek Park.

# **BUDGET HIGHLIGHTS**

The increase in personnel expense is mainly due to 2 additional positions (\$28K, partial year), annualized impact of positions partially funded in FY06 (\$51.4K), FY06 compensation adjustments (\$12.1K) and higher FY07 health benefit costs (\$9.5K). The decrease in operating is mainly due to one-time expenditures in FY06 relating to grants and JHP improvements (\$114K), reductions in facility/grounds maintenance costs (\$6.1K) and telephone/utility costs (\$4.0K) net of increases for Cane Creek Park campground PC/radio connectivity (\$12.9K), vehicle fuel and maintenance costs (\$12.7K), desk replacements (\$5.7K), additional resale inventory (\$5.6K) and Jesse Helms Park temporary office space rental (\$4.5K).

### **BUDGET HIGHLIGHTS**

Personnel expense increase is mainly due to a new position (\$85.2K), 2nd shift differential (\$22.4K), annualized impact of position partially funded in FY06 (\$29.3K), the FY06 and proposed FY07 compensation adjustments (\$335.4K), and higher FY07 health benefit costs (\$59K) net of the anticipated decrease in overtime and part-time help (\$88.8K). Operating increases are mainly due to implementation of internal service allocation (\$456.6K) as well as well as higher software and facility maintenance allocations (\$43.6K), the Monroe sewer treatment expansion (\$425K, 1 year obligation), utility and fuel usage/costs (\$201.5K), water purchase demand/costs (\$164.4K), sewer treatment demand/costs (\$24.7) and sewer system professional services (\$100K) net of reductions in anticipated miscellaneous water system construction/repairs (\$37.4) and vehicle and equipment maintenance/repairs (\$49.3). Other expense increase is due to implementing transfers to the Stormwater Fund (\$158.4K) and higher FY07 transfer to the Water & Sewer CPO Fund (\$17.5MM in FY06 to \$20.9MM in FY07). Water and sewer revenues from volumetric sales are projected to increase, budget to budget, by about \$4.4 million, representing a 26% increase. Gallons purchased and treated have increased by 23% for water and 19% for sewer in 2006 when compared with 2005. The 2007 budget assumption maintain gallons purchased and treated at 2006 levels with an increase in customer growth of 6% in 2007. Capacity fee revenues are projected to remain at the current contribution level of approximately \$10-\$11 million, which represents a \$3.7 million increase, budget year to budget year. Higher investment income (\$484K) and AMR meter sales (\$222K) represent the balance of the revenue increase.

# **SOLID WASTE FUND**

#### MISSION STATEMENT

To provide Solid Waste infrastructure that supports residential, commercial/industrial and agricultural needs while meeting federal and State regulations and providing our customer base with acceptable levels of service at cost effective rates.

**AGENCY PROGRAMS** 

MSW Transportation & Disposal Convenience Site Operations Public Education

Construction & Demolition Disposal Volume Reduction - Pallets & Yard Debris

Scrap Tire & White Goods Recycling Conventional Recycling Program

### **FY2007 MAJOR OUTCOMES**

Provide quality and cost effective Solid Waste services to our current base as well as future customers.

Investigate and provide options for market direct sale of recyclable materials.

# **BUDGET HIGHLIGHTS**

The increase in personnel expenses is due to FY06 and proposed FY07 compensation adjustments (\$58.2K) and higher FY06 health benefit costs (\$3.5K). The increase in operating expense is due to higher MSW and scrap tire disposal/transportation costs (\$286K, attributable to 24% increase in MSW tonnage, budget to budget, and an anticipated 3.5% rate increase effective January 1st), implementation of internal service cost allocation (\$77.3K) and wearing apparel program (\$16.5K). Capital outlay includes replacement full-size SUV (\$25K) and transfer station floor resurfacing (\$85K). Other expense includes a transfer to the Solid Waste Capital Reserve Fund (\$528.7K). The increase in revenue is due to higher anticipated MSW tonnage (\$626K), proposed higher MSW rates (\$69.5K, from \$38 to \$39/ton effective July 1st), increased scrap tire and white goods disposal taxes (\$21.2K), and higher anticipated investment investment earnings (\$9K).

STORMWATER 68-549100

### **MISSION STATEMENT**

To restore, protect and preserve the surface waters within Union County and to maintain, repair and map drainage systems within the right-of-way.

# **AGENCY PROGRAMS**

Monitor Water Quality Plan Review

Public Education Investigations

Inspections

### **FY2007 MAJOR OUTCOMES**

Develop programs designed to encourage community participation in water quality protection by sharing information to increase public awareness of water quality issues.

Develop water quality monitoring programs to include inspections of private facility best management practices, identification of illicit discharges and pollution prevention monitoring.

Develop proposals and mechanisms to finance the County and municipal stormwater management program.

Develop and implement necessary Storm water and buffer ordinances to meet Phase II and environmental requirements.

# **BUDGET HIGHLIGHTS**

The increase in personnel expenses is mainly due to the FY06 and proposed FY07 compensation adjustment of (\$6K). The decrease in operating expenses is attributable to one-time expenditures budgeted in FY06 for the development of the stormwater program. Capital outlay includes a 1/2 ton extended cab pickup truck.

To provide the citizens of Union County direct and immediate access to County Emergency Services through the maintenance of efficient, and reliable communication systems.

# **AGENCY PROGRAMS**

911 Emergency Telephone System FCC Licensing Courthouse Switchboard

After Hours Answering Point Emergency Service Dispatch

Emergency Two Way Radio System Management County Roads Data Base Management

#### **FY2007 MAJOR OUTCOMES**

Continue Emergency Medical Dispatch (EMD), Emergency Fire Dispatch (EFD), and Emergency Police Dispatch (EPD) Certifications.

Achieve performance standards as outlined by the National Academy of Emergency Dispatch and provide the necessary continuing education/training requirements.

Enhance the quality assurance/improvement review process.

Develop and implement standard operating guidelines for Police, Fire, and Emergency Medical Services.

Develop and maintain a quality training program, that includes training existing employees in proper evaluation and one-on-one training methods.

Develop and maintain a process which ensures accuracy for the assignment and maintenance of 9-1-1 addresses.

Provide proper leadership training to all shift supervisors, that includes motivating others and team building skills.

Continue to enhance the ability to provide interoperable communications within Union County.

# **BUDGET HIGHLIGHTS**

The increase in personnel expense is attributable to proposed FY07 compensation adjustments (\$7K). Operating expense decrease is due to one-time expenditures in FY06 for the purchase of consoles (\$29K), decreases in wearing apparel (\$4K), reduction in rental fees (\$3K) and decreases in maintenance and professional services (\$28K) net of an increase for interdepartmental software maintenance charges from Information Systems (\$8K).

# **Geographic Location**

Union County was formed in 1842 and was so named because it was created from parts of two other counties. Located in the south central portion of the Piedmont region, the County contains approximately 643 square miles. Contributing to the County's growth is its proximity to the City of Charlotte and Mecklenburg County, which contain the largest population in the State and comprise the major urban center of North Carolina's piedmont crescent.

The recent completion of Interstate 485 from Interstate 85 southwest of Charlotte in the proximity of Charlotte Douglas International Airport to Interstate 77 and Interstate 85 northeast of Charlotte has contributed to Union County's position as the two Carolina's fastest growing county and 19th fastest in the nation since 2000.

The following information is extracted from Union County's Official Statement issued in connection with the Series 2003 Enterprise System Revenue Bonds.

The County operates water and sewer utilities serving approximately 23,000 water customers and 13,000 sewer customers in the County.

#### **Organization and Management**

The Water and Sewer System functions as an administrative department of the County. The County's governing Board of County Commissioners (the "Board") appoints a County Manager to serve as the County's chief executive officer. The County Manager serves at the Board's pleasure, implements its policies, directs its business and administrative procedures and appoints department heads, including the County's Department of Public Works ("Public Works") Director and Finance Director.

Mike Shalati has served as the County Manager since January 2001. From 1999 to 2001, he managed and directed the regional practices of two global engineering design firms (URS Corporation and ARCADIS G&M. Inc.) in the areas of water, sewer, solid waste and storm water resources. Prior to 1999, Mr. Shalati served as the Union County Public Works Director (1988-1999) and Engineering Coordinator for the City of Monroe (1984-1988). He received his Bachelor of Science degree in Urban **Environmental Engineering (Civil** Engineering) in August 1983 from The University of North Carolina at Charlotte and an Executive Masters in Business Administration in 1994 from Queens College, Charlotte, North Carolina.

Jon Dyer, a registered professional engineer, has served as the County's Public Works Director since 1999. Prior to

1999, Mr. Dyer was employed by several national and regional engineering firms (HDR Engineering, Inc.; Labat-Anderson; Post Buckley, Schuh & Jernigan; Gee & Jenson, Inc.; Conser Townsend Environmental Technology Consultant, Inc.) where he was the senior manager. project engineer and technical advisor on numerous water, sewer, industrial pretreatment, water reuse and storm water projects, both domestically and internationally. He received his Bachelor of Science degree in Civil Engineering in 1963 and a Masters in Sanitary Engineering in 1966 from Virginia Polytechnic Institute.

Kai Nelson has served as Finance Director of the County since May 2002. His work history in the public sector includes serving as finance director for Fayetteville, North Carolina (1990-1998), Kinston, North Carolina (1986-1990), New Bern, North Carolina (1983-1986) and Moore County, North Carolina (1981-1983). From 1998-2000, he served as an investment banker for BB&T Capital Markets and managed investment banking services for public sector entities and not-for-profit corporations in North Carolina, Mr. Nelson returned to Fayetteville in 2000 until his departure in 2002 and was responsible for coordinating the relationship with the city-owned electric, water and sewer utility. Mr. Nelson received a Bachelor of Arts degree in Politics and History from Wake Forest University in 1978 and a Masters of Arts in Political Science with emphasis in Public Finance from Appalachian State University in 1981.

The Water and Sewer System is under the administrative responsibility of Public Works. Public Works consists of three divisions; water, sewer and solid waste. Public Works employs 102 persons, 88 of which are in the water and sewer divisions.

# **Water and Sewer System**

The Board of County Commissioners sets rates for all utilities. No State or other authority regulates the County's utility rates.

#### General

The Water and Sewer System presently serves an aggregate of approximately 23,000 water and 13,000 sewer customers.

The County is located along the North Carolina/South Carolina state line southeast of the City of Charlotte and Mecklenburg County. Water and sewer service needs are increasing in the County, in large part due to its proximity to the City of Charlotte and Mecklenburg County and the presence of a strong transportation network which includes US 601, US 74, the CSX railroad and I-485 Charlotte Outer Belt.

The Water System. The County's water system has grown in recent years to provide water service to a significant portion of the County, including all major urbanized areas except the City of Monroe. Water service is provided to the communities of Indian Trail, Stallings, Waxhaw, Wingate, Weddington, Wesley Chapel, Fairview, Hemby Bridge and large areas of low density land use. The water system has approximately 23,000 customers.

The 2002 population of the County was approximately 136,000. Of that population, approximately 59,500 people, or 44% of the total population, are served by the County water system. The City of Monroe separately serves approximately 27,846 people or 20% of the population. The County's water customers use a total of 7.3 million gallons per day ("MGD"), or approximately 123 gallons per capita per day ("GPCD"). If the consumption of the largest industrial user is subtracted from

the total use, the daily per capita use is 121 GPCD.

The following table summarizes the water usage from each of the three current sources. The Catawba River Water Treatment Plant ("Catawba WTP") source includes a small percentage of use outside of the County. The City of Monroe water source includes only the County's portion of water consumption.

## 2002 County System Water Use (MGD)

<u>Source</u>	<u>Average</u>	<u>Maximum</u>	<u>Peak</u>
	<u>Day</u>	<u>Day</u>	<u>Hour</u>
Catawba WTP	6.31	9.90	10.00
Anson County	0.95	1.11	1.96
City of Monroe	<u>0.04</u>	<u>N/A</u>	<u>N/A</u>
Total MGD	7.30	11.01	10.00

The primary water suppliers are the Catawba WTP and the Anson County. North Carolina water system. The County and the Lancaster County (South Carolina) Water and Sewer District have jointly developed the Catawba WTP in South Carolina. The Catawba WTP has a treatment capacity of 18.0 MGD and started production in April 1993. Each entity is entitled to 50% of capacity (9.0 MGD), and each has rights to future expansions up to the total permitted 20.0 MGD. An expansion project is currently underway to increase the capacity of the Catawba WTP from 18 MGD to 36 MGD to accommodate the rapid growth the County's water system. This water resource will serve to solve water supply problems in the high growth area of western Union County. The Catawba WTP is providing high quality water which meets all drinking water standards.

The Anson County water system provides water to the Marshville/Wingate area. Anson County has a twenty-year

agreement with the County, which expires in 2012, to provide 4.0 MGD to the County. The County must purchase a minimum of 1.0 MGD pursuant to that agreement. Water is supplied from the City of Monroe on an as needed and emergency supply basis pursuant to an agreement whereby the City of Monroe agrees to provide up to 3.0 MGD to the County; however, no minimum purchases are stipulated.

The existing County water main network contains pipes as small as 2 inches in diameter, but is primarily comprised of 6 inch to 24 inch diameter mains. There are approximately 91 miles of 2 inch. 173 miles of 6 inch, 227 miles of 8 inch, 36 miles of 12 inch, 40 miles of 16 inch, and 26 miles of 24 inch diameter water mains. The water system is composed of approximately 10% asbestos-cement pipe, 70% poly vinyl chloride pipe ("PVC"), and 20% cast iron and ductile iron pipe. The County currently specifies only PVC pipe and ductile iron pipe for its distribution water main system. The majority of the water main system is less then 20 years old. With the expansion of the Catawba WTP, the County is expanding its water transmission from that plant to the southwestern part of the County with the construction of a 42 inch water line. The 42 inch transmission line project, as well as the construction of a second storage tank, will provide the western part of the County with improved water distribution capabilities to accommodate the growth.

Total existing water storage is as follows:

#### Water Storage Capacity

<u>Tank</u>	<u>Type</u>	Overflow Elevation (Ft)	<u>Capacity</u> <u>(Mg)</u>
Sims	Ground	825	2.00
Stallings	Elevated	853	1.00
Indian Trail	Elevated	853	0.20

<u>Tank</u>	<u>Type</u>	<u>Overflow</u>	<b>Capacity</b>
		<b>Elevation</b>	<u>(Mg)</u>
		<u>(Ft)</u>	
US 74 East	Elevated	763	1.00
Austin Rd	Elevated	853	0.30
Northwest	Elevated	853	1.00
Total			5.50

Sanitary Sewer System. Union County's sewer system is growing rapidly and currently serves over 13,000 customers. Union County's sewer collection and treatment system currently consists of over 350 miles of pipe, approximately 60 sewer lift stations and 6 sewer treatment facilities. The collection system piping is comprised of both gravity and force mains with pipe diameters ranging from 4 inches to 48 inches. Sewer pump stations range in size from 2HP to 250HP and pump capacity from 10 gallons per minute ("GPM") to 3000 GPM. The sewer treatment facilities range in size from .05 MGD to 2.5 MGD, providing a total treatment capacity of 4.9 MGD. In addition to the current 4.9 MGD of sewer treatment capacity, the County has 1.95 MGD and 3.0 MGD contracted capacity in the City of Monroe's wastewater treatment plant ("WWTP") and Charlotte Mecklenburg Utility's McAlpine Creek WWTP, respectively.

# 2002 County System Sewer Treatment (MGD)

Facility	Average Day Flow	Permitted Capacity
County (6 facilities)	2.49	4.90
Charlotte/ Mecklenburg Utility	0.30	1.00
City of Monroe	1.45	1.95
WOINOC	4.24	7.85

The County has an aggressive sewer system maintenance program. Collection system mechanics are grouped into 5

# **Water and Sewer System**

crews. These crews are assigned to 1) pump station maintenance 2) tap and repair 3) inflow and infiltration identification/reduction 4) right-of-way maintenance and 5) line maintenance. Public Works is in the process of creating a geographic information systems based map of the collection system that will also serve as an advanced hydraulic model.

The County's newest sewer treatment plant, the Twelve Mile Creek Sewer Reclamation Facility, was placed on-line in December 1997. The facility is currently rated at 2.5 MGD of treatment capacity and utilizes biological nutrient removal technology. Engineering plans to expand the facility to 6 MGD are approximately 90% complete. Expansion of the plant is included in the County's 5 year CIP. A laboratory expansion and the addition of an ultraviolet disinfection system are among upgrades under design for the 1.9 MGD Crooked Creek Sewer Reclamation Facility. Public Works currently has 5 North Carolina Grade IV and 1 Grade II Biological Treatment Plant Operators to oversee the operation and maintenance of the treatment facilities.

## **Rates and Charges**

The County's rate structure includes customer connection fees and monthly service charges as follows:

One-Time Connection Fees for new customers of the system, including:

- Capacity Fees assessed to recover the capital costs of providing capacity for the new customer; and
- Tap Fees when the County makes the physical connection to the water distribution and sewer connection lines.

Monthly Service Charges for all customers, including:

Base Facility Charges based on meter size; and

Volume Charges based on all metered water usage.

Capacity fees are intended to recover the proportional cost of the Water and Sewer System's treatment and transmission facilities and are imposed on all new customers in relation to the potential demand each new customer places on the Water and Sewer System.

Capacity fees are currently imposed in accordance with the following schedule:

#### Capacity Fees

<u>Meter</u> <u>Size</u>	Water Fee	Sewer Fee
3/4"	\$ 500	\$ 2,650
1"	1,250	6,675
11/2"	2,500	13,275
2"	4,000	21,225
3"	11,250	59,725
4"	25,050	132,725
6"	35,050	185,825

A tap fee recovers the cost of the lateral connection for water and sewer service. These fees are imposed whenever the County makes the connection to the Water or Sewer System, but are waived when the developer makes the connection.

Tap fees are currently imposed in accordance with the following schedule:

Tap Fees

<u>Water</u>		<u>Sewer</u>		
<u>Meter</u> Size	<u>Fee</u>	<u>Line</u> Size	<u>Fee</u>	
3/4"	\$ 400	4"	\$ 630	
1"	525	6"	825	
11⁄2"	2,600	> 6"	Cost	
>1½"	Cost			

The County imposes a monthly base facility charge with no minimum usage allowance in order to recover a portion of fixed costs. The monthly base facility charges are currently imposed in accordance with the following schedule:

#### **Monthly Base Facility Charges**

<u>Meter Size</u>	<u>Water</u> <u>Charge</u>	<u>Sewer</u> <u>Charge</u>
3/4"	\$ 5.00	\$ 9.25
1"	12.60	23.31
1½"	25.05	46.34
2"	40.05	74.09
3"	112.70	208.50
4"	250.45	463.33
6"	350.60	648.61

The County currently utilizes a single water and sewer rate structure for all volume charges. For water, a uniform volume-charge rate of \$2.45 per 1,000 gallons of metered water usage is imposed. For sewer, a uniform volume-charge rate of \$3.30 per 1,000 gallons of metered water usage is imposed. The County has implemented a policy of capping sewer volume charges at 14,000 gallons per month for residential customers on 3/4" meters during the irrigation months of the year.

The County has no mandatory connection requirements. Substantially all developed areas within the County have water service available.

#### **Number of Customers**

The following table provides information on the number of active water and sewer service connections at the end of each of the last five fiscal years.

Number Of Active <u>Sewer</u> <u>Accounts</u>	Number Of Active Water <u>Accounts</u>
7,930	14,887
8,416	16,160
10,229	18,632
10,908	19,906
12,173	20,844
	Active Sewer Accounts 7,930 8,416 10,229 10,908

## **Major Users**

The following table presents information on the ten largest users of the County's water and sewer utilities during the fiscal year ended June 30, 2002. There have been no substantial new users added to the system since June 30, 2002, nor has there been any substantial change in the usage patterns of the following customers.

#### Water

<u>Customer</u>	Annual <u>Revenues</u>	Percentage of Total Water
Directoria Dicar	<b>#704.007</b>	<u>Revenues</u>
Pilgrim's Pride	\$761,997	10.3%
Town of Wingate	122,585	1.7
Parkdale Mills	93,962	1.3
Harris Teeter	17,988	0.2
Concrete Supply	17,903	0.2
Union County Jail	16,096	0.2
Genwove US Limited	16,056	0.2
Weddington Elementary	13,699	0.2
Berry Tri Plas Corp	11,438	0.2
AEP Industries	10,767	0.1
Total	\$1,082,491	14.7%

The County represents the only available source of water supply for Pilgrim's Pride and the Town of Wingate. As a municipal customer, Wingate's customer base is well diversified and consists of mainly residential and smaller commercial

# **Water and Sewer System**

customers. Pilgrim's Pride is a well established poultry processing facility that has recently indicated its intention to expand the Union County operation.

#### <u>Sewer</u>

<u>Customer</u>	<u>Annual</u> Revenues	Percentage of Total
		Sewer
		<u>Revenues</u>
Pilgrim's Pride	\$471,815	8.2%
Town of Wingate	168,013	2.9
Town of	165,114	2.9
Marshville		
Radiator	64,437	1.1
Specialty	·	
Town & Country	28,271	0.5
Estates		
Harris Teeter	26,742	0.5
JAAR'S	24,785	0.4
Union County Jail	23,192	0.4
Weddington	19,092	0.3
Elementary	·	
Berry Tri Plas	15,675	0.3
Corp	-	
Total	\$1,007,136	17.6%

Pilgrim's Pride, the Town of Wingate and the Town of Marshville have contractual agreements with the County to use part of the County's 1.95 MGD of reserved capacity at the Monroe Wastewater Treatment Plant. The agreements require each party to pay its share, as defined in the agreements, of the capital cost for the reserved capacity. If the proposed expansion of the Pilgrim's Pride facility causes these three entities to elect to use other wastewater treatment options, they

would still be obligated to pay their contractual portion of the capital costs, and the County would be able to use its reserved capacity in other ways, such as for the growing retail demand.

#### **Billing and Collection Procedures**

The County reads customer service meters each month and mails bills in four separate cycles throughout each month. Public Works is responsible for all billing, and the County's Tax Administrator is responsible for all collections. Bills are due the date of the bill and are considered past due 21 calendar days after the bill date. Customer's service is thereafter subject to interruption on notice of at least fifteen business days.

## **Budget Procedures**

Operating and capital budgets for the Enterprise Systems are formulated in the same manner as other County departments. The Public Works Director prepares an initial budget request. The County Manager reviews, and may revise, the submitted budget request and incorporates the request into the overall budget submitted to the Board of Commissioners for its consideration.

#### **History of Rate Increases**

The following table provides information on water and sewer rate increases since July 1, 1997.

	Resident (5,000	tial - 3/4" ) Gal)	Commerc (50,00	ial - 1 1/2" 0 Gal)		rial -3" 00 Gal)
Effective Date	Water	Sewer	Water	Sewer	Water	Sewer
7/1/97	0.00%	0.00%	0.48%	0.00%	2.87%	0.00%
7/1/98	0.00	0.00	0.48	0.00	2.79	0.00
7/199	-1.32	0.00	0.14	0.00	2.68	0.00
1/1/00	-3.20	0.00	-0.27	0.00	2.93	0.00
7/1/00	-4.96	0.00	0.07	0.00	6.84	0.00

The following information is extracted from Union County's Official Statement issued in connection with the Series 2006 Commercial Paper Bond Anticipation Notes.

# Demographic, Economic and Statistical Information

General. Union County (the "County") was formed in 1842 and was so named because it was created from parts of two other counties. Located in the south central portion of the Piedmont region, the County contains approximately 643 square miles. Contributing to the County's growth is its proximity to the City of Charlotte and Mecklenburg County, which contain the largest population in the State of North Carolina (the "State") and comprise the major urban center of the State's piedmont crescent. The recent completion of Interstate 485 from Interstate 85 southwest of Charlotte in the proximity of Charlotte Douglas International Airport to Interstate 77 and Interstate 85 northeast of Charlotte has also contributed to the County's position as the State's fastest growing county.

Population Statistics. The United States Department of Commerce, Bureau of the Census, has recorded the population of the County to be as follows:

More recent estimates of the County's population from the State's Office of State Budget and Management are as follows:

The U.S. Census Bureau, from April 2000 to July 2005 ranked the County as the fastest-growing (measured by percentage population increase) county in the two Carolinas and the 19th fastest in the country. During this period, according to the U.S. Census Bureau, the County's population grew by nearly 32% rising to 162,929 from 123,772.

Per capita income data for the County and the State are presented in the following table:

#### Per Capita Income

Year County S	<u>State</u>
2001 27,613 2002 26,868	25,560 27,068 27,493 27,640 28,071

Source: United States Department of Commerce, Bureau of Economic Analysis.

Commerce and Industry. The County's economy continues to perform well as measured by unemployment rates, labor force growth and median family income. The County continues to maintain lower unemployment rates (4.0% in November 2005) than the State (5.2% in November 2005) and the United States (5.0% in November 2005). The County's diverse economic base and the interdependence of the Charlotte-Gastonia-Concord MSA are major factors in the County's economic strength. In addition, the County and the City of Monroe have established tax incentive programs which have successfully encouraged industry to locate in the County. According to the 2000 Census, the County's median household income of \$50,638 places it second among the State's 100 counties, with only Wake County (\$54,988) having a higher median household income. Neighboring Mecklenburg County (\$50,579) ranks third.

The following table lists the top 20 major employers in the County:

Windsor Window Co. Source: http://jobs.esc.state.nc.us/lmi/lar	250-499
Data as of December 2004	gestiaigest.pul

Agriculture is a primary industry in the County representing over 20 percent of the County's economy. In 2005, agribusiness represented a \$320 million local industry with poultry, hogs, cattle, beef, eggs, soybean, grains and cotton forming the major components of the industry. Tyson Foods and Pilgrim's Pride are major chicken processors in the County. Both process chicken in a highly mechanized and technology-dependent production environment for distribution to supermarkets throughout the world. Tyson Foods and Pilgrim's Pride represent two of the County's top seven employers.

The Monroe Regional Airport located in western Union County is growing to accommodate new industries and to make the community more attractive to office and manufacturing development. A runway expansion from 5,500 to 7,000 feet to be completed in 2009 will accommodate general aviation jets that

can fly internationally. The first \$1,000,000 of this \$11,000,000 project has been awarded and will be used to strengthen the runway to accommodate larger general aviation jet traffic. The airport recently completed several other projects including the expansion of the general aviation apron in the vicinity of the new terminal; construction of an automobile parking lot; relocation of 3,500 feet of existing taxiway; an installation of a high intensity runway lighting system and a new security fence. A \$1,000,000 MALSR approach lighting system was also recently installed. As a primary reliever for the Charlotte Douglas International Airport, these improvements position the Monroe Regional Airport to serve the region's growing corporate aviation needs. The County's regional transportation system is further enhanced with a daily express bus service from Monroe to uptown Charlotte on US 74 with stops in several urban communities adjoining the Union and Mecklenburg County lines.

These transportation improvements have spurred the development of the Monroe Corporate Center. The 500-acre business park, begun in 1996 by the City of Monroe, has attracted several corporate clients such as Greiner Bio-One, Scott Health & Safety, Coca-Cola Bottling Co., American Wick Drain, Goodrich, Goulston Technologies and Coresco. Recent expansions and capital investments by local companies are reflected in the table below:

<u>Company</u>	<u>Investment</u>
Allvac	\$54,947,000
CMC-Union	47,000,000
Schrader Bridgeport	25,000,000
Gold Signature Foods	24,275,000
Parkdale Mills	23,200,000
Tyson Foods	20,350,000

H-Power	6,000,000
American Wick Drain	5,500,000
	\$276,222,000

Note: Table includes aggregate company investments of amounts equal to or greater than \$5,000,000 from 1998 through March 2005.

Source: Union County Economic Development.

The recent completion of the southern portion of Interstate 485 has attracted significant development in the County including: (1) an \$18.5 million 123,000 square foot retail center, expected to include a supermarket, restaurants and other shops, currently under construction at one of the I-485 interchanges, (2) a \$65 million 430,000 square foot Metro Medical Park. located adjacent to CMC-Union (medical center, hospital), expected to include an assisted-living center, medical offices, hotel and retail space on approximately 50 acres of property currently anticipates construction to begin by December 2006, (3) a \$40 million 200,000 square foot retail and office complex, expected to include a 120 room hotel, a supermarket and retail shops currently anticipates construction to begin by December 2006.

CMC-Union contributes to the County's improving economic environment. CMC-Union recently completed a \$47 million, 78,000 square-foot expansion which added a state-of-the-art two-story

Outpatient Diagnostic and Treatment Pavilion, including a cancer treatment center, a computerized axial tomographic scanner and magnetic resonance imaging services. CMC-Union recently announced plans to renovate the third floor of the acute care patient tower and the construction of a replacement facility for its long-term care facility. These projects are estimated to cost approximately \$10.5 million and are to be financed with hospital resources.

Wingate University, a private liberal arts university with an enrollment of 1,518 students located in eastern Union County, has invested \$6 million in a pharmacy school to fulfill an underserved need throughout the State and South Carolina. The University School of Pharmacy opened its doors to its charter class in 2003.

Total retail sales in the County for the most recent five fiscal years are shown in the following table:

Fiscal Year		Increase
Ended June	Total	From Previous
<u>30</u> ,	Retail Sales	<u>Year</u>
2001	\$1,368,710,687	6.3%
2002	1,403,189,500	2.5
2003	1,425,656,186	1.6
2004	1,456,781,750	2.2
2005	1,660,399,988	4.0

Source: North Carolina Department of Revenue, Sales and Use Tax Division.

The data for the Fiscal Years 2001-2005 in the chart above sets forth *gross* retail sales. Beginning July 1, 2005, the North Carolina Department of Revenue began to compile information only for *taxable* retail sales in compliance with the Streamlined Sales Tax Agreement. In North Carolina, certain sales (for example, qualifying food items) are not subject to sales tax. For

# **The County**

the first four months of the Fiscal Year 2006, taxable retail sales for the County were \$335,305,547. There is no comparable data for taxable retail sales available for previous years.

The County's proximity to the Charlotte-Gastonia-Concord MSA combined with improved accessibility afforded by Interstate 485, readily available undeveloped property and a low overlapping local property tax burden have contributed to strong demand for new housing. New housing construction and residential permits continue at record levels with fiscal year 2005 permits and values reaching historic highs.

The following table illustrates building activity in the County since 2001 as shown by the number of building permits issued and estimated value of the related construction for the past five fiscal years and for the six months ended December 31, 2005:

# **Building Activity**

Fiscal Year Ending June 30,	Total Value (In Thousands)
2001	\$435,442
2002	358,173
2003	465,191
2004	647,723
2005	833,756

Source: County Department of Inspections.

#### **Employment**

The North Carolina Employment Security Commission has estimated the percentage of unemployment in the County to be as follows:

## Unemployment Percentages

2002	2003	2004	2005
5.1%	4.9%	4.6%	4.5%

## **Government and Major Services**

Government Structure. The County has a Commissioner-Manager form of government with five Commissioners comprising the governing body. The Commissioners are elected on a staggered basis for terms of four years. The County Manager is appointed by and serves at the pleasure of the Board of Commissioners. The Board of Commissioners annually adopts a budget and establishes a tax rate for the support of County programs. The County Manager has the responsibility of administering these programs in accordance with policies and the annual budget adopted by the Board of Commissioners. The County is responsible for providing public safety, health and human services, public utilities, and park and recreation programs and local funding for public education.

Education. State law provides for and funds the operating costs of a basic minimum educational program which is supplemented by the County and Federal governments. The building of public school facilities has been a joint State and County effort. Local financial support is provided by the County for capital and operating expenses.

:

<sup>(1)</sup> In fiscal year 2001, the non-residential estimated value of construction included Marvin Elementary School and six expansions/renovations at other elementary schools and one middle school.

<sup>(2)</sup> Information shown is for the six months ended December 31, 2005.

The following table provides financial support information for the fiscal year ended June 30, 2005:

# Funding of Union County School Administrative Unit

		Percent of
Source	Amount	Total
State	\$122,314,776	45%
Federal	15,857,872	6%
Local	135,565,954	49%
	\$273,738,602	100%

The following table shows the number of schools and average daily membership for the Union County School Administrative Unit for the past five school years:

# Number of Schools and Average Daily Membership (ADM)<sup>1</sup>

School	All Grades		
Year	Number	ADM	
2001-02	30	23,772	
2002-03	31	25,263	
2003-04	31	27,031	
2004-05	33	28,608	
2005-06	37	32,580	

Source: Superintendent's Office of the Union County School Administrative Unit.

(1) Average Daily Membership or ADM (determined by actual records at the schools) is computed by the North Carolina Department of Public Education on a uniform basis for all public school units in the State. The ADM computation is used as a basis for teacher allotments when there is more than one school unit in the county.

Higher Education. Wingate University in the Town of Wingate serves approximately 1,518 students and offers bachelors degrees in liberal arts and sciences and masters degrees in education and business. It is fully accredited by the Southern Association of Colleges and Schools. Since its founding in 1896, the University has been associated with the Baptist State Convention of North Carolina.

South Piedmont Community College (SPCC), located in Monroe, serves Union and Anson counties. It offers technical courses designed to meet the skill needs of local employers, including in-plant training. Local financial support is provided by the County for capital and operating expenses. For the fiscal year ended June 30, 2005, the County provided \$765,865 in capital and operating support and \$300,184 in debt service contributions for SPCC facilities.

Transportation. The expansion, maintenance and improvement of primary and secondary highways within the County are primarily the responsibility of the State. Each municipality within the County bears the primary responsibility for its local street system. The County has no financial obligation with respect to construction and maintenance of roads.

The County is served by two U.S. highways (74 and 601) and eight State highways (16, 75, 84, 200, 205, 207, 218, and 522). The County is within one mile of Interstate 485. In addition, there are future plans for a U.S. Highway 74-Bypass, which will connect with Interstate 485. CSX Transportation provides freight rail service to the County and Greyhound Trailways provides bus service to the County. In addition, Charlotte/Douglas International Airport is approximately 17 miles from the County boundary and is now directly accessible via Interstate 485. Monroe Municipal Airport, an FAAdesignated reliever facility to Charlotte/Douglas International Airport, offers general aviation, air freight and charter service as well as hangar and repair facilities for corporate and private

# **The County**

aircraft through Landmark Aviation, the airport's fixed-base operator and Flight Inc., the airport's special fixed-base operator.

Social Service Programs. The County Department of Social Service provides a full range of community services funded primarily by the Federal and State governments with local matching funds provided by the County. In addition to the traditional programs serving the aged. disabled, blind and dependent children, the Department of Social Services has developed programs which deal with child abuse, adolescent parenting, permanent placement of children, day care, foster care, emergency care for children and inhome services for the elderly. Approximately 27,000 citizens are served each month by the Department of Social Services. Child support collections. agency quality controls and efforts to eradicate fraud have off-set County costs significantly. The County has implemented innovative programming, which provides for cost effective administrative operations. The County spent \$10,515,783 in local funds for the fiscal year ended June 30, 2005 for human services provided through the Department of Social Services.

Health Department. The Health Department is responsible for protecting the health of the citizens of the County. The Health Department accomplishes this objective through a variety of prevention and educational programs in cooperation with other health and education groups in the community. The Health Department provides a variety of specialized health care services and places special emphasis on communicable disease control and maternal and child health services. Other programs include school health and laboratory services and a variety of educational programs in chronic disease control, women's, infants' and children's nutrition and health education.

The Environmental Health Division is responsible for monitoring and inspecting all food handling establishments. Its other responsibilities include inspecting day care centers and foster homes and monitoring water, solid and liquid waste pollution. Two new grant programs, health promotion and nutrition counseling, are designed to promote healthy living through diet and other risk reduction activities. All services are carried out through a varied group of health professionals, including physicians, public health nurses, environmental scientists, laboratory technicians, health educators, nutritionists and clerical administrative staff. The County spent \$2,256,552 in local funds for the fiscal year ended June 30, 2005 for these services.

Mental Health. The Union County Mental Health Center is a part of the Piedmont Behavioral Healthcare system and serves the citizens of the County. The Mental Health Center provides mental health and substance abuse related services to children, adolescents, adults and elders. Its services are primarily offered through the local comprehensive community mental healthcare facility, which is comprised of three accessible local sites. Additional services are provided off-site in locations such as the hospital emergency room, schools and local housing projects. Some of the types of services offered through the Mental Health Center include: acute services (24-hour emergency services, brief intensive home-based services for children, assessment and referral to all levels of care), individual and group therapy, couples and family therapy, specialized group and family programs for substance abuse, consultations and education to community providers and groups, including schools. For the fiscal year ended June 30, 2005, the County spent \$286,829 in local funds for these services.

Public Utilities. The County operates water and sewer utilities serving approximately 29,000 water customers and 19,700 sewer customers.

The water system services a significant portion of the County, including all major urbanized areas except the City of Monroe. The primary water suppliers are (i) the Catawba Water Treatment Plant, a joint impoundment and treatment facility venture between the County and the Lancaster County Water and Sewer District, (ii) Anson County, (iii) the City of Monroe and (iv) Charlotte-Mecklenburg Utilities. The combined four water treatment sources provide an average of approximately 8.3 million gallons per day of treated water to the County's customers. The County maintains almost 610 miles of water pipes ranging from 2 inches in diameter to 42 inches.

The sewer system is comprised of over 450 miles of pipe, approximately 60 sewer lift stations, 6 county-owned sewer treatment facilities, and supplemental treatment capacity provided by the City of Monroe and Charlotte-Mecklenburg Utilities. The average daily flow through the County's wastewater system is 5.7 million gallons per day with a permitted capacity of 8.53 million gallons.

Solid Waste Facilities. The County currently provides residents and businesses alike with municipal solid waste disposal, construction and demolition waste disposal and recycling opportunities. Municipal Solid Waste ("MSW") disposal services are provided through a state-of-the-art transfer station. At the transfer station, MSW is loaded onto tractor-trailer trucks and transported to a lined landfill for ultimate disposal. For the general public's convenience, there are six sites strategically located throughout the County that accept "bagged" household garbage and recyclable materials.

A Construction and Demolition ("C&D") debris landfill is located adjacent to the Transfer Station. There are currently five C&D cells permitted through the State in the County, each designed to accept 52,000 tons of material. These cells are vertical expansions over a closed MSW landfill.

The County promotes recycling and provides the opportunity for residents and businesses to recycle paper, cardboard, plastics, glass, aluminum, scrap metal (including white goods), spent motor oil, antifreeze, and used tires free of charge.

The County is continuously investigating means to improve and expand the services provided at cost-effective rates. Programs that are currently in the exploratory stage include "household hazardous waste" and electronic device disposal/recycling. The market direct sale of bulk paper and cardboard is also being investigated.

The County uses an enterprise fund to account for the operations of its solid waste programs and charges tipping fees for disposing solid waste. This source generated approximately \$2.9 million for the fiscal year ended June 30, 2005, and along with other fee-based revenues resulted in net income of \$208,809.

A Solid Waste Capital Reserve Fund has been established to finance the closure and opening of future landfill operations. At June 30, 2005, the Solid Waste Capital Reserve Funds current assets were \$4,447,386 and the Fund's postclosure liability was \$2,820,292.

#### **Debt Information**

In accordance with the provisions of the State Constitution and The Local Government Bond Act, as amended, allowing for issuance of all presently authorized bonds, the County had the

# **The County**

statutory capacity to incur additional net debt in an approximate amount of \$676,650,738 as of June 30, 2005.

(2) Certified County Population Estimates as published by the North Carolina Office of State Budget and Management.

# What is a Budget?

The County is "body politic and corporate", a political subdivision governed by the General Statutes of the State of North Carolina.

The County provides a wide variety of services to its 163,000 plus residents. County services are financed through a variety of taxes, fees, intergovernmental assistance and charges for services. In order to plan for the delivery of effective services and efficiently manage the revenues which support those services, the County adopts an annual budget.

Governmental entities are often asked by their constituencies, "What is a budget?" The answer to this question can have different meanings to different counties, cities, states or agencies. All governmental agencies prepare a budget. The variety of budgetary systems and philosophies is limited only by the number of governmental entities which prepare a budget.

Union County's budget should be viewed as a tool to help plan, manage and control expenditures for the coming year. Using the budget as a guide, residents of the County can see how resources are allocated and what programs are to receive priority funding.

# As A Policy and Planning Tool

The annual budget is the County's service and financial plan for the year ahead, a strategic tool that matches the services desired by the community with the resources required in order to provide those services. As such, the budget is a plan of financial operation incorporating estimates of proposed expenditures for a given period and a proposed means of financing. The effective period of a budget is a single fiscal year. The budget should also be looked upon as more than a

financial plan, for it represents the process by which legislative and administrative controls are established.

While the budget provides a legal framework for the expenditure of funds, it also provides the basis for fiscal procedures, a systematic reexamination of internal operations for improved efficiency and economy, a delegation of operating authority and responsibility and a basis for central controls. Therefore, in addition to the budget's usefulness in planning, it also acts as an estimate of the future, and as the fiscal year unfolds, becomes the basis for monitoring and controlling both the County's fiscal position and the levels of service provided.

So, the budget is much more than just a legal requirement or a financial plan for raising and spending money. It is County Commission's primary mechanism for describing the scope of services to be performed and the improvements to be made during the year. The budget is the major fiscal policy document of the County.

The budget process does not end with the adoption of the completed budget, but rather continues throughout the fiscal year. Budget preparation and implementation is not a seasonal event, but a year round process of review, analysis and reassessment.

# **Development of the Budget**

The budget is prepared over a five- to sixmonth period. The process begins with a "goal-setting and planning retreat" of the County Commission. The forum provides the County Commission with an opportunity to develop a number of goals and set forth the Commission's work plan priority for the coming and ensuing fiscal years. Revenues, expenditures, fund balances and major initiatives are

# **Basics of Budgeting**

projected for the four to five-year financial plan. Potential additional resources are identified. The process is followed several months later by obtaining more current and accurate estimates of available revenues and beginning fund balances Coincident with the development of the revenue estimates, the anticipated expenditures for the current year are analyzed.

At the beginning of the annual budget process, departments and agencies review with the County Manager program priorities, propose new initiatives and focus on developing a budget and work plan consistent with County Commission's goals. The County Manager formulates a level of expenditure recommendations designed to maintain services and meet the Commission's policy goals during the next fiscal year. These estimates are developed in the budget preparation phase and are based on numerous considerations including compliance with federal, state and local regulations, Commission goals and priorities, known cost factors for operating expenses, proposed changes in the employee compensation plan, cost increases in various employee benefits such as medical and workers' compensation and a conservative projection of general economic fluctuations.

Once all the anticipated expenditures have been taken into consideration, the challenge then becomes adjusting the expenditures to the available revenues. This process typically involves cutting

some requested new initiatives while expanding others to meet the community's priorities.

# **Budget Approval**

The North Carolina Local Government Budget and Fiscal Control Act governs the annual budget calendar, preparation, submission and review of the budget. The fiscal year begins on July 1. The County's budget calendar, which is on the following page, is somewhat more restrictive than the Act requires.

The County Manager, who also serves as budget officer, is required under the Act to submit the budget with a budget message to the County Commission not later than June 1. Following budget submission, the County Commission receives public testimony and reviews the service and expenditure proposals contained in the proposed budget. Also, during this period, copies of the budget are filed with the County Clerk, public library, news media and the County's web site. The County Commission holds an advertised public hearing and may make further changes to the budget. The County Commission may adopt the budget and establish appropriations not earlier than 10 days after having received the budget from the County Manager and after it has held the required public hearing. Because appropriations are the legal authority to spend money in the new fiscal year, the budget must be adopted before July 1 each year.

	December		January		February		March
2)	Finance prepares and releases budget instructions. Budget workshop for agencies to review budget process. Personnel completes new year continuation salary and benefit budgets; agencies confirm.	1)	Agencies prepare components of the budget process.	2)	Agencies submit prioritized new year budget initiatives and capital requests. Agencies and Finance prepare current year estimates and new year base operating requirements.	2)	Agencies and Finance prepare current year estimates and new year base operating requirements. County Manager and his staff review capital and new year initiative requests.
	April		May		June		July
2)	County Manager meets with agencies and determines program priorities and begins development of recommended budget. County Commission holds goal setting planning retreat and establishes work plan priorities. Board of Education submits requested budget.	2)	County Manager finalizes recommended budget. County Manager presents the recommended budget to the County Commission.	2)	County Commission conducts workshops to review the recommended budget. County Commission holds a public hearing on the budget. County Commission formally adopts the budget ordinance for the next fiscal year.	3)	Beginning of new fiscal year. Budget for the new fiscal year is implemented. Adopted budget document is printed and distributed.

# **Budget Implementation and Monitoring**

Once the County's budget is adopted it must be implemented, closely monitored and professionally managed. Quarterly reports, monthly monitoring procedures and various accounting checks and balances are utilized to ensure legal compliance with the appropriation authorizations.

The budget contains estimated revenues to be received and anticipated expenditures. Revenues are constantly monitored throughout the fiscal year to detect significant fluctuations in receipts.

If upon close examination of the budget, it is discovered that revenues are not sufficient to support planned expenditures or planned expenditures are exceeding original projections, the County Manager reports such to the County Commission.

The Manager also makes recommendations for addressing the budget imbalance. If an unforeseen spending need arises or revenues are not sufficient to support planned expenditures, the County may transfer money from contingency or other activities or appropriate money from its reserves.

# **Basics of Budgeting**

# **Basis of Budgeting**

The County budgets revenues on a cash basis and expenditures on a modified accrual basis. Revenues are recognized in the accounting period in which they become available. Expenditures are recognized in the accounting period in which the liability is incurred, except for bond principal and interest, which is reflected as an expenditure as it becomes due. This basis of budgeting is used for all funds of the County - governmental and proprietary.

# **Budgetary Amendment and Control**

The appropriation authorization of the County Commission is generally at the agency level. Prior year's carryover encumbrances and designated reserves are re-appropriated by the County Commission based on audited financial statements. Encumbrances and designated reserves increase the agency

level budget. Unanticipated revenues require appropriation by the County Commission prior to their expenditure. Generally, appropriations that are unspent at the end of the year lapse into fund balance. The County Manager, as the County's statutory designated budget officer, is authorized to transfer funds among line-items within each departmental appropriation and between agency appropriations – both with a report to the County Commission. Major amendments to the overall appropriation level of an agency, requires the approval of the County Commission.

Although the legal appropriation is at the agency level, control of expenditures is exercised at various levels within each appropriation. Directors are authorized to allocate available resources as they deem appropriate within several expenditure categories consistent with the County's work plan.

# **Fund Accounting**

The accounts of Union County are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of selfbalancing accounts comprised of assets. liabilities, fund balance, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based on the purposes for which they are to be spent. The various funds are grouped into three broad fund categories and several sub-fund types. The fund categories are summarized below:

#### **Governmental Funds**

Governmental funds are those used to account for the County's expendable financial resources and related liabilities (except those accounted for in proprietary and similar trust funds). The measurement focus is on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. The following are the County's governmental funds:

General Fund - The General Fund is the principal fund of Union County. This fund accounts for all financial transactions except those more appropriately recorded in another fund. This fund includes the majority of County services including public safety, inspections, planning, recreation and parks, human services, education and administrative functions. Revenues come from sales and use taxes, property taxes, user fees, permits and licenses, and other sources of revenues.

**Debt Service Fund -** The Debt Service Fund is used to account for the accumulation of funds for, and the

payment of, certain long-term debt issued for the capital construction program of the Union County Public Schools. Funds available beyond the retirement of debt may be used for school capital construction.

Special Revenue Funds - The Special Revenue Funds are used to account for the proceeds from the Enhanced 911 Subscriber Fee, fire taxes and fees and the various federal and State grant related programs – all of which are legally restricted to expenditures associated with the activities.

Capital Project Funds - Capital Project Funds provide budgetary accountability for financial resources used for the acquisition or construction of major capital facilities and improvements, other than those financed and accounted for in proprietary funds. Principal resources for these activities include proceeds of general obligation bonds and transfers from other funds. The County has capital project funds for the following activities: general government, recreation and culture, public safety, economic and physical development and school improvements.

## **Proprietary Funds**

Proprietary Funds are used to account for activities that are similar to those often found in the private sector. Proprietary Funds are separated into two categories: Enterprise Funds and Internal Service Funds.

Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body

# **Budget Format**

has decided that periodic determination of revenues earned, expenses incurred and net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Water and Sewer Fund - The Water and Sewer Fund is used to account for all revenues and expenses associated with the County's water and wastewater operations.

**Solid Waste Fund** - The Solid Waste Fund is used to account for all revenues and expenses associated with operating the County's solid waste activities.

**Stormwater Fund** - The Stormwater Fund is used to account for all revenues and expenses associated with operating the County's stormwater management activities.

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the County, or to other governments on a cost reimbursement basis.

**Health Benefits Fund -** The Health Benefits Fund is used to account for the revenues and expenses associated with providing medical and dental program for eligible participants.

**Workers' Compensation Fund -** The Workers' Compensation Fund is used to

account for the revenues and expenses associated with providing medical and lost wages to employees who are injured while on the job.

## Property and Casualty (P&C) Fund -

The P&C Fund is used to account for the revenues and expenses associated with providing risk management services in connection with general liability, auto physical damage and liability, property and personal liability, and employee and officers coverages. The Fund also provides resources for those risks retained by the County.

## **Fiduciary Funds**

Fiduciary Funds are used to account for assets held by the County in a trustee capacity or as an agent for individuals, private organization or other government units.

## **Special Separation Allowance Fund -**

The Special Separation Allowance Fund is used to account for the accumulation of funds transferred from various funds for the payment of separation benefits to qualified county employees.

**Agency Funds -** The Agency Funds are used to account for funds held by the County for the benefit of Social Service clients, incarcerated individuals, Board of Education and various special taxing districts.

# Basis of Accounting

All funds of the County are accounted for during the year on the modified accrual basis of accounting in accordance with North Carolina General Statutes. Under the modified accrual basis, revenues are recognized in the accounting period in which they become measurable and available to pay liabilities of the current period. Expenditures are recognized in the accounting period in which a fund liability is incurred, if measurable, except for unmatured principal and interest on general long-term debt which is recognized when due.

Revenues are classified by funds and sources with the following categories being used in the budget document: ad valorem taxes, local option sales taxes, other taxes and licenses, intergovernmental revenue, permits and fees, sales and services, investment earnings and other financing sources.

Expenditures are classified by fund, department, category and object of expenditure. Expenditures are separated into five major categories: personnel; operating; capital outlay; contracts, grants and subsidies; and interdepartmental charges. The categories are defined below:

**Personnel** - Services provided by regular and temporary County employees. This category includes salaries and wages and fringe benefit costs such as social security, medical, pension, 401K, workers' compensation and dental expenses.

Operating - Supplies and services used in the daily operation of County agencies. The category includes utilities, supplies, maintenance services, vehicle operations, communication services (printing, postage, telephone, etc.), travel and training expenditures, insurance coverage, professional services, public assistance and other services (rents, etc.).

Capital Outlay - Expenditures for the acquisition, construction, renovation or improvement of land, buildings, other structures or equipment. Equipment classified in this category costs \$5,000 or more and has a useful life of more than one year.

Contracts, Grants and Subsidies - This category includes expenditures for contracts, grants and subsidies.

**Debt Services** – Principal and interest payments on general obligation, revenue and installment financing contracts.

**Interdepartmental Charges -** This category includes expenditures from internal County service providers.

**Contingency** – Funds for unanticipated appropriations.

**Interfund Transfers -** This category includes the transfer of resources from one fund to another fund.

# **Revenue Assumptions**

# **Overview**

Different techniques and methods are used to assist the County in estimating future revenue sources. The following information outlines the various revenue assumptions used to project revenues for the 2006-2007 fiscal year.

# **Ad Valorem Taxes**

The recommended general tax rate is 56 cents per 100 dollars of property valuation with an estimated 98 percent collection rate for real property and a 90 percent collection rate for motor vehicles. The total projected tax base for FY2007 is estimated at \$15.758 billion representing an increase of \$1.263 billion or 8.7% over FY2006's amount of \$14.495 billion. Every penny on the FY2007 tax base generates approximately \$1.54 million.

The tax rate of 56 cents per \$100 is projected to generate about \$86.3 million in current year's property taxes.

The table below compares property values for fiscal years 2006 and 2007:

FY	2006	2007
TY	2005	2006
Real	11,954,826,427	13,100,425,394
Personal	913,098,096	914,260,639
Public Service	254,760,555	254,760,555
	13,122,685,078	14,269,446,588
% Growth	7.47%	8.74%
Motor Vehicles	1,373,126,565	1,488,863,475
% Growth	8.78%	8.43%
Total Tax Base	14,495,811,643	15,758,310,063
Total Growth Rate	7.60%	8.71%

In addition to the countywide rate of 56 cents per \$100, the budget includes a the schools special tax of 7 cents as requested by the Board of Education. The NC Lottery distributes a portion of the net lottery proceeds to County's based on its taxing effort. The County's eligibility for supplemental lottery funding is negatively impacted because the funding methodology take into account only those

taxes levied on a countywide basis.
Consolidating the schools special tax with the countywide rate increases the likelihood of the County receiving supplemental funding because of the greater fiscal pressure, as compared to other counties across North Carolina, on the County's tax rate relating to school bond referendums.

# **Local Option Sales Taxes**

Revenues received from the one-cent and 3 one-half cent sales tax are estimated based on historical trends and projections by the State. The State is projecting retail sales to grow on a statewide basis by 5% with variations based on individual County economic circumstances. The County's point of sale tax collections is projected to increase by 10%. The budget includes an increase of 11% for the local option sales tax from the 2006 estimate of \$27.6 million to 2007's \$30.8 million.

Additionally, the budget anticipates an overall increase from 70.54% to 72.06% as the General Fund's share of all sales and use tax returned to Union County for allocation to its municipalities and special taxing districts. This increase is attributable to Union County's higher percentage of governmental tax levies within the county; which is the basis for distributing FY2007 sales and use taxes.

The increase in the County's total population from 1.78% of the State's total to 1.82% also is contributing to the significant increase in sales and use taxes credited to the General Fund.

# **Other Taxes and Licenses**

This category of revenue consists of real property transfer taxes, cable TV franchise fees and gross receipts rental taxes. Overall, FY2006 revenues are projected to exceed \$3.1 million, an increase of about \$700K over the

current budget. FY2007 revenues for this category are projected to increase \$600K over the 2006 year end estimate to a 2007 budget total \$3.7 million. The largest portion of the increase is real property excise stamps which are projected to increase, budget to budget, from \$2.1 million to \$3.3 million. The FY2007 budget estimate of \$395K for cable TV franchise taxes includes an additional \$76K over 2006's \$319K.

### <u>Intergovernmental Revenues</u>

This revenue source represents funds received from other governmental units.

Depending on the source and nature of the resource, occasionally restrictions are placed on the use of these proceeds.

ADM funds, which are used to help pay for school construction, are included in this category of revenue at \$1.1 million. The budget passed by the Senate in early May diverted \$50 million from the public school capital (ADM) fund - through which each county receives a portion of the corporate income tax for new school construction based on its public school system's Average Daily Membership - for state school operating expenses. This proposal is particularly troublesome and unwarranted given the County's need for resources to fund school capital construction as well as the Governor's proposal to reduce class-size for the third grade. Should the General Assembly approve the diversion, critical County school construction programs may be impacted.

This revenue category also includes court facility fees and ABC distributions.

## **Other Revenues**

The two largest revenue sources in this category include the hospital payment (\$1.85 million for FY 2005 with amount

based on FY2006 projected financial results of operations) and investment income. Investment income is estimated based on the projected daily cash position of the County, declining assets available for investment, and future investment earning rates in the range of 2.5% to 3.0%. FY2006's estimate is about \$2.1 million representing an increase of \$1.1 million over FY2005's budget amount of \$1.0 million and level over FY2005's year end estimate of \$2.1 million.

#### **Fund Balance**

The appropriation of fund balance is necessary to balance projected revenues and expenditures. The level of appropriation is determined by the difference between recommended expenditures and estimated revenues for the upcoming fiscal year. The amount of recommended fund balance, which is guided by the Commission's adopted, financial policies is both a function of the amount the County reasonably expects that it will not use by year-end (salary savings, revenues exceeding budget. expenditures coming in under budget) and the projected use of fund balance to mitigate the level of tax rate increases.

## **Interfund Charges**

Charges for goods and services from one fund to another fund within the County. Charges are projected based on historical trends or actuarially determined charges needed to finance liabilities.

## **Employee Contributions**

Payment from employees and retirees for individual and dependent medical and dental insurance. Contributions are projected based on the estimated number of participants in the program and rates needed to finance claim liabilities.

## **Revenue Assumptions**

## **Utility Fees and Charges**

Water and sewer revenues from volumetric sales are projected to increase, budget to budget, by about \$4.4 million, representing a 26% increase. Gallons purchased and treated have increased by 23% for water and 19% for sewer in 2006 when compared with 2005. The 2007 budget assumption maintain gallons purchased and treated at 2006 levels with an increase in customer growth of 6% in 2007. Capacity fee revenues, budget year over budget year. are projected to remain at the current contribution level of approximately \$10-\$11 million, which represents a \$3.7 million increase.

Union County voters have approved five (5) school bond referendums aggregating \$327.2 million since 1998. The amounts of those referendums and fiscal impact statements are detailed below.

#### 1998 School Bond Referendum

A Resolution adopted August 31, 1998, by the Board of County Commissioners (BOCC) directed the filing of an application with the Local Government Commission (LGC) and stated "the County's property tax rate *will* (emphasis added) increase by approximately 10 cents." The LGC is a State commission that regulates and monitors local government finances and approves the issuance of debt.

The application to the LGC for approval of the issuance of general obligations in an amount not to exceed \$52,700,000 executed September 3, 1998 contained the statement that "an estimated increase in tax rate by reason of (the) proposed bonds \$0.10."

The 1998 Bond Referendum Information Brochure, published and distributed by Citizens for Better Schools, stated "based on current projections, the \$52.7 million school bond would, in the worst case scenario, increase the property tax rate a maximum of 8.5 cents of the life of the bonds."

#### 2000 School Bond Referendum

A Resolution adopted August 21, 2000, by the BOCC directed the filing of an application with the LGC which stated "the County's property tax rate resulting from issuance of the proposed bonds is not excessive."

The application for approval of the issuance of general obligations in an amount not to exceed \$55,000,000 contained the statement that "an

estimated increase in tax rate by reason of (the) proposed bonds \$0.05."

The 2000 Bond Referendum Information Brochure, published and distributed by Citizens for Better Schools, stated "based on current projections, the \$55 million school bond would, in the worst case scenario, increase the property tax rate a maximum of five cents over the life of the bonds."

#### 2002 School Bond Referendum

A Resolution adopted August 19, 2002, by the BOCC directed the filing an application with the LGC stated "the bonds will require a property tax increase to pay principal and interest on the bonds, but the increase in taxes necessary to pay the proposed debt service will not be excessive."

The application for approval of the issuance of general obligations in an amount not to exceed \$70,000,000 contained the statement that "an estimated increase in tax rate by reason of (the) proposed bonds \$0.04."

The 2002 Bond Referendum Information Brochure, published and distributed by Citizens for Better Schools, stated "based on current projections, the \$70 million school bond could increase the property tax rate by four cents."

#### 2004 May School Bond Referendum

A Resolution adopted March 3, 2004, by the BOCC directed the filing of an application with the LGC which stated "the schedule for issuing the bonds will require a property tax increase to pay principal and interest on the bonds, but the increase in taxes necessary to pay the proposed debt service will not be excessive."

### **Bond Referendums**

The application for approval of the issuance of general obligations in an amount not to exceed \$100,000,000 contained the statement that "an estimated increase in tax rate by reason of (the) proposed bonds \$0.08."

The County's financial policies require the development of fiscal impact statements associated with bond referendums. The statements developed in connection with the 2004 bond referendum indicated a tax rate impact of 8 cents to be imposed in the fiscal year immediately succeeding the referendum's passage.

The 2004 Bond Referendum Information Brochure, stated "that the \$100 million bond referendum could, in the worst case scenario, result in about a six cent tax rate increase".

# 2004 November School Bond Referendum

A Resolution adopted August 9, 2004, by the BOCC directed the filing of an application with the LGC which stated "the schedule for issuing the bonds will require a property tax increase to pay principal and interest on the bonds, but the increase in taxes necessary to pay the proposed debt service will not be excessive."

The application for approval of the issuance of general obligations in an amount not to exceed \$49,500,000 contained the statement that "an estimated increase in tax rate by reason of (the) proposed bonds \$0.035."

The County's financial policies require the development of fiscal impact statements associated with bond referendums. The statements developed in connection with the November 2004 bond referendum indicated a tax rate impact of 3.5 cents to be imposed in the fiscal year immediately succeeding the referendum's passage.

The 2004 Bond Referendum Information Brochure, stated "that the \$49.5 million bond referendum could, in the worst case scenario, result in about a 3.5 cent tax rate increase".

	Current 2 wheel drive compact truck will have approximately 130,000 miles when replaced. Due to nature of work of installing street signs, a 4	wheel drive vehicle is needed.		Boiler replacement		The existing balcony is 34 years old, seven concrete slabs have sunk and are a trip hazard. Other areas have numerous cracks and the surface is extremely slick during rains. This project will provide for necessary repairs and application of a skid-resistant coating; both improving the safety and appearance.	The existing handrails do not meet current building codes for closer picket spacing. Current spacing allows children to climb through them and creates and liability issue for the County. In addition, many areas have rusted through all around the building.	The existing plaster dentil molding and some wall areas have been damaged by prior water intrusion and the existing blown-in ceiling is not historically appropriate. This project will provide for needed repairs and repainting of the Courtroom.	With the closure of the drive-up window, the drive-thru area needs to be removed and the accessible parking area reconfigured to provide two additional accessible parking spaces.	The Clerk of Court has requested four additional card readers for two doors accessing their area in the Judicial Center to ensure a higher level of security due to the high volume of cash they handle.

	Due to expansion of evidence room these wall mounted lockers are necessary to secure all types of evidence seized by officers that will be processed in and stored within the evidence room.	Due to expansion of evidence room these wall mounted lockers are necessary to secure all types of evidence seized by officers that will be processed in and stored within the evidence room.	Due to expansion of evidence room this shelving system will integrate with existing shelving currently used to store court ordered evidence until a disposition has been reached and ordered by the courts.	Due to expansion of evidence room this system provides immediate access to information and maintains an electronic chain of custody log from initial seizure to evidence room storage to insure integrity of all evidence for prosecution and disposal purposes. This systems allows evidence submissions and storage to be streamlined from the field saving valuable time associated with the processing of evidence.		The current training room will be incorporated into the requested evidence room expansion in this budget cycle. Evidence room expansion will result in the loss of our current training room. Because of mandated in-service training as well as other internal functions additional space will be needed in order to fulfill these requirements

		Justification	The IT department recommends that in order to successfully implement our imaging system for records management, a separate Microsoft Sequel (software) server is needed. These are vital records that we will be storing and will need to be backed up on a regular basis. Please note that this server was requested and funded in the FY0506 budget. The records management system purchased by the IT dept was delayed in being installed and implemented. So, the need for an appropriate records management server has also been delayed. In addition, the IT dept. (Carl Lucas) has advised DSS that the file server for the agency needs replacement as warranty coverage has expired. IT has recommended purchase of the replacement file server in the current fiscal year with the capital funds appropriated for FY0506. (50% Federal reimbursement)

	listification for Reguest	This item was identified during the September 2005 inspection of Cane Creek Dam. This item will reduce the erosion of the bank leading to the spillway. (500' L x 15' T)				This project will replace one of the two 25-year old playgrounds within the campground area. The new playground will be more accessible and meet new safety guidelines.	This project will regrade the rutted gravel driveways and walkways to the cabins and picnic sites. The picnic sites will have concrete slabs constructed with ADA compliant picnic tables and grills. This will make all cabins and their cooking facilities accessible to all citizens.	In the spring/summer of 2006, the entrance to the campground will be rerouted to allow for a better entrance for large vehicular traffic. The 25-year old gate is due for replacement and this gate will allow for easy access after hours through an issued access card. The new entrance and gate will be developed on 4.94 acres of land purchased through the PARTF Grant during the last fiscal year.

	Justification for Request	This system will replace the system purchased in 1995 which, through time, has become antiquated. CCTV is vital to sewer operations and allows staff to look for and document defects, damage and illegal connections. Camera 3S5A100049 is scheduled to be replaced.	This equipment will replace 3 existing units that are currently out of service. The existing units have become costly to repair with reliability being marginal at best. Newer models are more rugged and allow staff to accurately locate laterals from ground level.	This is a replacement mower for WWTP mower purchased around 1996. Grounds maintenance is a critical component of housekeeping and is a must for WWTP operations.	This equipment is a heavy duty and high volume compressor to replace the existing Crooked Creek WWTP compressor. Continuous air supply is needed for tertiary filter operation and chemical feed system. The current system is approaching the end of it's useful life.	To replace existing blowers at 12 Mile WWTP West Digester. Existing blowers are systematically failing repair is not a cost effective option. These units are critical for day to day operations.	This is a small track machine that is specifically designed to provide access to wet and/or obstructed right-of-ways for line cleaning and/or blockage removal. This machine will act as an extension of our inition

**Agency:** A major administrative program of the County that indicates overall management responsibility for an operation or a group of related operations within a functional area.

**Allocate:** To set apart portions of budgeted expenditures that are specifically designated to organizations for special activities or purposes (i.e., Arts Council).

**Annual Budget:** A budget covering a single fiscal year (July 1 - June 30).

**Appropriation:** A budget authorization made by the County Commission to incur obligations or make expenditures for purposes listed in the budget ordinance. An appropriation is limited in amount and to the time when it may be expended.

**Assessed Valuation:** A value determined by the County Tax Assessor's office for real and personal property to be used as a basis for levying property taxes.

**Assets:** Property owned by the County that has monetary value.

**Bond:** A written promise to pay a specific amount of money within a specific time period, usually long-term. Bonds are typically issued to fund specific capital improvement expenditures. The County issues general obligation bonds, which require approval by voter referendum before issue and two-thirds, installment financing and revenue bonds, which do not require referendum approval.

Bonds Issued: Bonds that are sold.

**Budget:** A financial plan that includes estimated revenues and expenditures for a fiscal year and specifies the type and level of services to be provided. The amount reflected as FY2004 Budget represents the original appropriation for that fiscal year adjusted to reflect carryover of appropriations for encumbrances, special projects and fund balance designations for specific purposes and budget revisions and amendments.

**Budget Document**: A formal document presented to the County Commission containing the County's financial plan for a fiscal year. The budget document is presented in two phases — preliminary and final—the latter of which reflects the budget as adopted by the County Commission.

**Budget Message:** A written summary of the proposed budget from the County Manager to the County Commission. The message includes an explanation of important features of the budget, changes in programs or appropriation levels from previous years and recommendations of the County Manager.

**Budget Ordinance:** A schedule adopted by the County Commission which lists revenues by source, appropriations by department or fund and levies taxes for the coming fiscal year.

**Capital Assets:** Items (such as vehicles, equipment and furniture) purchased by the County and have an expected life of more than one year with a value in excess of \$5,000.

**Capital Project:** A project expected to have a useful life greater than 10 years and an estimated total cost of \$100,000 or more. Capital projects include the construction,

## **Glossary**

**Capital Project (continued)** purchase, or major renovation of buildings, utility systems, or other structures; purchase of land; major landscaping projects; and purchase of new motorized equipment.

**Capital Projects Fund:** A fund used to account for the acquisition or construction of major governmental, education and enterprise capital facilities and equipment.

**Contingency:** An account in which funds are set aside for unforeseen expenditures which may become necessary during the year and which have not been provided for in the context of the annual operating budget.

**Debt Service Fund:** A fund used to account for the accumulation of resources associated with the debt service management plan for the payment of general obligation debt associated with the Union County Public Schools bond referendums.

**Deficit:** An excess of expenditures over revenues or expenses over income.

**Department:** A major administrative program of the County that indicates overall management responsibility for an operation or a group of related operations within a functional area.

**Encumbrances:** A financial commitment for services, contracts or goods that have not, as yet, been delivered or performed.

**Enterprise Fund:** A fund used to account for activities that are operated in a manner similar to business enterprises. Fees are charged to the consumers (general public) of the service to completely or partially recover the expenses of the operation.

**Expenditures:** The total costs of a program or capital project.

**Fiscal Year (FY):** A 12-month period (July 1 - June 30) to which the annual operating budget applies and at the end of which an assessment is made of the County's financial condition and performance of its operations.

**Fund:** An independent fiscal and accounting entity created to record the financial activity for a selected financial grouping. A fund is set up to carry out a special function or attain certain objectives in accordance with set laws and regulations.

**Fund Balance:** The difference between the accumulated revenues and expenditures for a particular fund. These resources are set-aside within a fund to provide adequate cash flow and reserves. North Carolina statutes dictate that a portion of fund balance is not available for appropriation in the following fiscal year.

**General Fund:** A fund that provides for the accounting of all financial resources except those designated to other funds. Most of the basic government services, such as public safety, human services, parks and recreation and education are accounted for in this fund.

**General Obligation Bonds:** Debt instruments issued by the County which are secured by the unit's taxing power.

**Grants:** A contribution or gift in cash or other assets from another government or nonprofit foundation to be used for a specified purpose.

**Infrastructure:** Facilities on which the continuance and growth of a community depend, such as water lines, plants, etc.

Interfund Accounts: Accounts that reflect transfers between funds.

**Intergovernmental Revenues:** Revenues from other governments (state, federal, local) which can be in the form of grants, shared revenues, or entitlements.

**Internal Service Fund:** A fund used to account for the financing of goods and services provided by one department to other departments and agencies of the County on a cost reimbursement basis such as health, dental, workers' compensation and property and casualty risks.

**Lease-Purchase Agreement:** A contractual agreement to acquire items of equipment whereby the local government agrees to pay the purchase price, plus interest on an installment basis.

**Levy:** The amount of tax, service charges, and assessments imposed by a government.

**Municipal Bond:** A bond issued by a local government – whether City or County.

**Non-Operating Expenses:** Expenses that are not directly related to the provision of services such as debt service.

**Non-Operating Revenues:** Revenues that are generated from other sources (i.e., interest income) and are not directly related to service activities.

**Objective:** A statement of specific direction, purpose or intent to be accomplished by a department or agency.

**Pension Trust Fund:** A fund established to account for a public employment retirement system. For example, the Special Separation Allowance Fund.

**Property Tax (Ad Valorem Tax):** A tax levied by the County Commission on real and personal property.

**Proprietary Fund:** A fund used to account for governmental activities that are operated in a manner similar to those found in private enterprises. Internal Service and Enterprise funds are included in this category.

**Recommended Budget:** The budget proposal of the County Manager presented to the County Commission for approval.

**Reserve:** An account designated for a portion of the fund balance which is to be used for a specific purpose.

## **Glossary**

**Revenue:** Income received from a variety of sources used to finance government or enterprise operations.

**Revenue Bonds:** Principal and interest associated with revenue bonds are paid exclusively from the earnings of the project or system.

**Shared Revenues:** Revenues levied and collected by one government but are shared with another government based on a predetermined method.

**Special Revenue Fund:** A fund used to account for resources that are subject to certain legal spending restrictions. They are created when a resolution, statute or ordinance requires that specific taxes or special revenue sources be used to finance a particular activity (i.e., E-911).

**Tax Levy:** The total amount of revenue to be raised by property taxes for the purposes specified in the budget ordinance.

**Tax Rate:** The amount of taxes levied based on each one hundred dollars (\$100) of assessed property valuation.

**Two-Thirds Bonds:** General obligation bonds that can be issued by a local government without voter authorization under a formula set by the state of two-thirds of the previous year's net debt reduction.

**Undesignated Fund Balance:** The amount of unreserved fund balance that is not designated for encumbrances, a subsequent year's expenditure, or for any other purpose. Undesignated fund balance is available for future appropriations.

**User Charges:** The payment of a fee or direct receipt of a public service by the party benefiting from the service.
