Other common work may include repair of sidewalks and driveways due to settlement or other damage.

All work must be performed in a neat and professional manner that is aesthetically pleasing in order to restore damaged area to "original condition" and all concrete work in traffic areas

must be finished to provide good ride quality.

No payment will be made for temporary closure or re-excavation of work areas.

The Contractor shall have sufficient resources (manpower, supervision, and equipment) necessary to perform work to the specifications.

No additional work or deviation from the project assignments shall be allowed without written approval from UCPW. Work requested by the property owner, which is not part of the approved assignments/specifications, must be contracted between the property owner and the Contractor. Any additional work by the Contractor for the homeowner shall not begin until all of Union County's work has been completed and accepted. Union County will not be responsible for payment of any additional work performed by the Contractor for property owners. The Contractor shall not suggest or recommend additional work to the property owners during the performance of the work contracted with Union County.

No guarantees will be made of size, amount, or quantity of any specified work orders or projects.

The Contractor will immediately correct problems associated with his/her faulty or poor workmanship at his/her own expense.

4.3 EMERGENCY WORK

UCPW may require repairs to be made immediately due to major roadway damage or other unforeseen circumstances. These projects (work orders) will be of the upmost priority and shall be completed immediately. Contractor will be notified of any emergency repairs as they exist by UCPW representative.

4.4 CONFORMITY WITH WORK ORDERS AND SPECIFICATION

The Contractor shall employ sufficient labor and equipment for executing the work to full completion in the manner and time required by these specifications.

The Contractor will be required to execute the work in a continuous and uninterrupted manner upon notification by UCPW via fax, email, or phone on each location. It will be the

responsibility of the Contractor to keep UCPW informed of his/her schedule, work plan, and progress and to submit weekly reports in an electronic format approved by UCPW of work order status to the appropriate UCPW representative.

Any person employed by the Contractor or by any Subcontractor during the life of this project that, in the opinion of UCPW, does not perform his/her work in a proper and skillful manner or is disrespectful, intemperate, or disorderly shall be removed by the Contractor or Subcontractor from the project and future worksites with UCPW.

The supervisor of the crew at a minimum shall speak fluent English as to have the ability to communicate with UCPW staff and/or the resident.

In the event UCPW finds the materials or the finished product in which the materials used or the work performed have resulted in an inferior or unsatisfactory product, the work or materials shall be removed and replaced by the contractor at no cost to Union County.

4.7 ADJUSTMENT OF MANHOLES, METER AND VALVE BOXES

The contractor may request UCPW to adjust manholes, meter boxes, valve boxes, etc. prior to project completion. This will be completed at no cost to the contractor if adjustments to the above items are due in part to UCPW's construction activities. Any damage to these structures as a part of the contractor's project completion will be charged against the paid sum for that project.

4.8 RETURN OF COUNTY OWNED TRAFFIC CONTROL DEVICES

There may be occurrences where UCPW has left traffic control devices at the work site for the protection of the public. It shall be the contractor's responsibility to return such

The parties agree that the contract for services may be terminated by Union County upon providing 60 days written notice.

The Contractor will be required to execute the work in a continuous and uninterrupted manner upon issuance of a Notice to Proceed. All work will be subject to inspection by UCPW at any time.

All work assigned under this contract shall be completed within three (3) to seven (7) calendar days of assignment, unless otherwise approved by UCPW. If a contractor is unable to meet the completion date, UCPW reserves the right to utilize another contractor to complete this work.

7.2 PRICE ESCALATION

It is the intention of the County to receive firm prices. If the offeror's price is subject to escalation, the offeror will so state clearly on the bid form and the following conditions will apply:

- 7.2.1** Bid prices will be firm for a minimum of one year from the first day of the contract period.
- 7.2.2** Union County may consider price escalation after one year of the initial term. Justification for a price escalation will have to be based on the producer price index (ppi) by industry: cement and concrete product manufacturing.

- 7.2.3** During the contract period, the offeror agrees to give the County the benefit of any general market price reduction up to the time of delivery.
- 7.2.4** The supplier will give the Union County Water Department representative a minimum of sixty (60) days advance notice of any proposed escalation and copy the Union County Procurement Department representative stating the escalated price, the proposed effective date for that escalated price, and include backup documentation as to the nature of the increase. Requests shall be submitted to the email addresses listed below, together with all necessary written documentation sufficient to demonstrate that the increase is necessary based on a legitimate increase in the cost of the Material. The request must state and fully justify the proposed price increase per unit over the price originally proposed. The Union County Water Department representative will notify vendor of price increase acceptance or denial.

Andy Neff, Director of Union County Water & Wastewater
andy.neff@unioncountync.gov

Cheryl Wright, Director of Union County Procurement & Contract Management
cheryl.wright@unioncountync.gov

- 7.2.5** Price increases shall only be allowed when justified in the County's sole discretion based on legitimate, bona fide increases in the cost of the material. The company shall provide documentation substantiating that the requested increase is unavoidable and could not be mitigated. No adjustment shall be made to compensate the company for inefficiency in operation, increase in labor costs, or for additional profit.
- 7.2.6** No proposed price increase shall be valid unless accepted by the County in writing, in the form of an amendment that memorializes a renewal agreed to by the County and company.
- 7.2.7** If the County approves a price increase pursuant to this section and the market factors justifying the increase shift so that the increase is no longer justified, the County shall have the right to terminate the price increase and revert back to the prices that were in effect immediately prior to the increase. The company shall notify the County in writing if the market factors on which the County granted the increase change such that the County's reasons for granting the increase no longer apply
- 7.2.8** If the company's unit prices for any products should decrease, the company shall provide the affected products at the lower discounted price. The company shall provide the County with prompt written notice of all decreases in unit prices

7.3 CONTRACTUAL OBLIGATIONS

The contents of this Proposal and the commitments set forth in the Proposal shall be considered contractual obligations, if a contract ensues. Failure to accept these obligations may result in cancellation of the award. All legally required terms and conditions shall be incorporated into final contract agreements with the selected Service Provider(s).

7.4 SUB-CONTRACTOR/PARTNER DISCLOSURE

A single firm may propose the entire solution. If the proposal by any firm requires the use of sub-contractors, partners, and/or third-party products or services, this must be clearly stated in the proposal. The firm submitting the proposal shall remain solely responsible for the performance of all work, including work that is done by sub-contractors.

7.5 EXCEPTION TO THE PROPOSAL

An “exception” is defined as the Service Provider’s inability or unwillingness to meet a term, condition, specification, or requirement in the manner specified in the RFP. All exceptions taken must be identified and explained in writing and must specifically reference the relevant section(s) of this RFP. Other than exceptions that are stated in compliance with this Section, each proposal shall be deemed to agree to comply with all terms, conditions, specifications, and requirements of this RFP. If the Service Provider provides an alternate solution when taking an exception to a requirement, the benefits of this alternate solution and impact, if any, on any part of the remainder of the Service Provider’s solution, must be described in detail.

7.6 MODIFICATION OR WITHDRAWAL OF PROPOSAL

Prior to the scheduled closing time for receiving proposals, any Offeror may withdraw their proposal. After the scheduled closing time for receiving proposals, no proposal may be withdrawn for 180 days. Only written requests for the modification or correction of a previously submitted proposal that are addressed in the same manner as proposals and are received by the County prior to the closing time for receiving proposals will be accepted.

7.7 EQUAL EMPLOYMENT OPPORTUNITY

All Firms will be required to follow Federal Equal Employment Opportunity (EEO) policies. Union County will affirmatively assure that on any project constructed pursuant to this advertisement, equal employment opportunity will be offered to all persons without regard to race, color, creed, religion, national origin, sex, and marital status, status with regard to public assistance, membership or activity in a local commission, disability, sexual orientation, or age.

7.8 MINORITY AND SMALL BUSINESS PARTICIPATION PLAN

Consistent with this policy, Union County will not allow any person or business to be excluded from participation in, denied the benefits of, or otherwise be discriminated against in connection with the award and performance of any contract because of sex, race, religion, or national origin.

7.9 LICENSES

The successful Firm(s) shall have and maintain a valid and appropriate business license (if applicable), meet all local, state, and federal codes, and have current all required local, state, and federal licenses.

7.10 E-VERIFY

the work authorization of newly hired employees pursuant to federal law. Offeror/Firm shall ensure that Firm and any Subcontractor performing work under this contract: (i) uses E-Verify if required to do so; and (ii) otherwise complies with applicable law.

7.11 DRUG-FREE WORKPLACE

During the performance of this Request, the Firm agrees to provide a drug-free workplace for his employees; post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the workplace and specify the actions that will be taken against employees for violations of such prohibition; and state in all solicitations or advertisements for employees placed by or on behalf of the firm that the Firm maintains a drug-free workplace.

For the purposes of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific contract awarded to a Contractor/Firm in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Request.

3. TERM AND TERMINATION. The Effective Date is the date of mutual execution of this Agreement. This Agreement shall have a term of [insert agreement time length] (the "Initial Term"). [*The following sentence to be used only if renewals might be needed or desired, and then only if the RFP lists the possible number of renewals. If the contract is just for a single term, this sentence may be deleted.*] Upon completion of the Initial Term, Union may, in its sole discretion, elect to renew this Agreement for up to ____ [number of possible additional terms, as stated in the RFP] additional ____ [number of years in each renewal term]-year terms, each a "Renewal Term," upon written notice to the Contractor. Union may terminate this Agreement at any time, without cause, upon provision of ten (10) days' written notice to Contractor. In the event of termination without cause, Contractor shall be paid for services performed to the date of notification of termination by Union.

4. OWNERSHIP OF DOCUMENTS. All deliverables and any other contract documents prepared by Contractor, or any subcontractors or subconsultants under the terms of this Agreement ("the Documents"), shall be the property of Union. Contractor further acknowledges that Union is subject to Chapter 132 of the North Carolina General Statutes, the Public Records Act (the "Act"), and that this Agreement, as well as any of the Documents as defined herein, shall be a public record as defined in such Act, and as such, will be open to public disclosure and copying.

5. INSURANCE. The attached Exhibit A, Insurance Requirements, is incorporated herein by reference.

6. INDEMNIFICATION. Contractor agrees to protect, defend, indemnify and hold Union, its officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings, or causes of action of every kind in connection with or arising out of this Agreement and/or the performance hereof that are due, in whole or in part, to the negligence of Contractor, its officers, employees, subcontractors or agents. Contractor further agrees to investigate, handle, respond to, provide defense for, and defend the same at its sole expense and agrees to bear all other costs and expenses related thereto.

9. NOTICE TO CONTRACTOR REGARDING ITS TAX DUTIES AND LIABILITIES. Contractor understands that Contractor is responsible to pay, according to law, Contractor's income tax. If Contractor is not a corporation, Contractor further understands that Contractor may be liable for self-employment (social security) tax, to be paid by Contractor according to law.

13. ASSIGNMENT. Neither Union nor Contractor shall assign, sublet or transfer any rights under or interest in this Agreement (including, but without limitation, monies that may become due or monies that are due) without the written consent of the other, except to the extent that any assignment, subletting or transfer is mandated by law or the effect of this limitation may be restricted by law. Unless specifically stated to the contrary in any written consent to assignment, no assignment shall release or discharge the assignor from any duty or responsibility under this Agreement.

14. NON-WAIVER. The failure of either party to exercise any of its rights under this agreement for a breach thereof shall not be deemed to be a waiver of such rights or a waiver of any subsequent breach.

15. HOW NOTICES SHALL BE GIVEN. 17. COMPLETE AGREEMENT. This Agreement contains the complete agreement of the parties regarding the terms and conditions of the Agreement, and there are no oral or written conditions, terms, warranties, understandings or other agreements pertaining thereto which have not been incorporated herein. This Agreement may be modified only by written instrument duly executed by both parties, or their respective successors in interest.

18. SEVERABILITY. The provisions hereof are severable, and should any provision be determined to be invalid, unlawful or otherwise null and void by any court of competent jurisdiction, the other provisions shall remain in full force and effect and shall not thereby be affected unless such ruling shall make further performance hereunder impossible or impose an unconscionable burden upon one of the parties.

19. AUTHORITY. Each party warrants that it has the corporate or other organizational power and authority to execute, deliver and perform this Agreement. Each party further warrants that the execution, delivery and performance by it of the Agreement has been duly authorized and approved by all requisite action of the party's management and appropriate governing body.

ATTENTION: ACCOUNTS PAYABLE VENDORS

As part of our Fraud Prevention Program, Union County now prefers two methods for payments to vendor accounts. These methods allow for faster and easier payments to vendors.

The first and preferred method available is to accept a VISA card payment from the County. If you accept payment via VISA, payment is made at the time of the transaction or upon receipt and approval of the invoice.

The second method is an Electronic Funds Transfer. (EFT) This means that you will receive payment of invoices due directly into your bank account. With this method, you will get an email confirmation giving you the date, invoice numbers, and total amount paid. Your payment will be available to you on Monday (or the first banking day if Monday is a bank holiday) following receipt of an approved invoice from the County department invoiced.

An EFT Enrollment Form to enroll in the program is attached for your convenience. You can also visit the Union County website at www.unioncountync.gov at any time to get a new form if your banking information changes. If the banking information changes and you do not notify us, it will delay receipt of payment for invoices.

If you wish to receive payment via the County's VISA card, please contact Alex Whitaker at 704-283-3538 or Christi Climbingbear at 704-283-3543, or send an email to alex.whitaker@unioncountync.gov and you will be added to the list of vendors accepting the VISA card method of payment.

Union County prefers all vendors participate in one of the two methods described above.

Thank you in advance for your participation.
