RE: **Union County Government Center Generator Replacement
IFB 2022-042 Rebid
Optima Project# 21-0237**

Dear Corey:

On Thursday, September 20, 2022 at 2:00pm we received 3 bids for the Union County Government Center Generator Replacement. We have reviewed the bid received on September 20th, 2022 from Page Power Systems, Inc. for the Union County Government Center Generator Replacement at 500 N. Main Street, Monroe, NC. We have found that Page Power Systems, Inc. has a valid general contracting license. Page Power Systems, Inc.'s subcontractor of GSM Services also has a valid contracting license for their respective trade.

Page Power Systems, Inc. has turned in the required documentation consisting of a signed bid form indicating all addendums received, the non-collusion affidavit, HUB minority participation, Affidavit A good faith efforts, Affidavit B, and their Bid Bond. Page Power Systems, Inc. has a base bid of \$247,735.00 and they are a certified MWBE business.

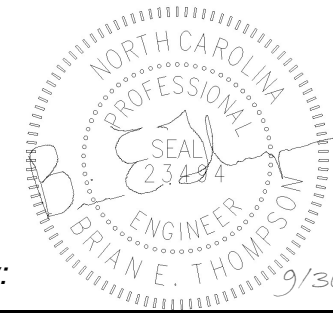

We have evaluated the bid and information provided by Page Power Systems, Inc. and found no irregularities, therefore Union County may enter into an agreement if they choose.

See attached bid tabulation summary sheet, and bid forms.

Sincerely,

A handwritten signature in black ink, appearing to read "B. E. Thompson", with a horizontal line extending to the right.
