

Request for Proposals 2023-035

Drone Program SaaS Solutions

ADDENDUM No. 1

ISSUE DATE: December 15, 2023

Responding Offerors on this project are hereby notified that this Addendum shall be made a part of the above named RFP document.

The following items add to, modify, and/or clarify the RFP documents and shall have the full force and effect of the original Documents. This Addendum shall be acknowledged by the Offeror in the RFP document.

Question/Answer

1. Based on the verbiage in the current RFP, can you confirm that Union County is only looking for software?

Answer: UC Water is only looking for SaaS software.

2. Is Union County also looking for personnel contractors to operate, manage, and maintain the current/future sUAS fleet?

Answer: We are not looking to contract out the operations, management, and maintenance of our current fleet.

3. We are requesting the make and models of the current drone fleet. Are there any additional Drones used besides the DJI Phantom 4 Pro+ V2.0 and a DJI Mini 2 as outlined in the RFP?

Answer: No additional drones

4. We are requesting the number of part 107 licensed pilots.

Answer: 3-5
