

Request for Proposals 2023-048

Grinding, Processing and Removal Services for Yard Waste

ADDENDUM No. 2

ISSUE DATE: April 4, 2023

Responding Offerors on this project are hereby notified that this Addendum shall be made a part of the above named RFP document.

The following items add to, modify, and/or clarify the RFP documents and shall have the full force and effect of the original Documents. This Addendum shall be acknowledged by the Offeror in the RFP document.

A) Delete/Add/Replace Section

1. Section 7 – Appendix A – Price Form

Delete: Section 7 – Appendix A – Price Form in its entirety.

Replace with: Attached, Appendix A – Price Form

B) Question/Answer Section

1. **Question:** Can material be hauled for boiler fuel?

Answer: The destination facility must be actively permitted and show proof of any necessary regulatory USEPA and/or NCDEQ regulatory permits.

2. **Question:** What is the time frame given from date of notice to the expected start date of project?

Answer: After a fully executed contract is issued with the selected vendor a Solid Waste Department representative will schedule a start date.

3. **Question:** How long is the contractor given to complete project from the start date?

Answer: Any material should be hauled/processed quarterly and completed within 60 days of project initiation.

End of Addendum No. 2

Addendum #2 Price Form

7 APPENDIX A – PRICE FORM
