ADDENDUM No. 1

ISSUE DATE: May 10, 2023

Responding Offerors on this project are hereby notified that this Addendum shall be made a part of the above named RFP document.

The following items add to, modify, and/or clarify the RFP documents and shall have the full force and effect of the original Documents. This Addendum shall be acknowledged by the Offeror in the RFP document.

A) Question/Answer Section

1. **Question:** It looks like the UMO pricing structure for this contract is set up similar to a matrix based on the WTI price for the initial term of 2 years. Would it be allowed to submit a flat price over the initial contract period rather than this “matrix pricing”?

Answer: Interested vendors must use the price form located on page 17, Section 6, Appendix A – Price Form. Alternate pricing structures will not be accepted by Union County for RFP 2023-087.
