Summer Reading Program

Program begins June 5 and ends August 5

Ideas to Start

Talk

Talking with children helps them learn new words and develop knowledge of the world around them.

Sing

Singing with children is a fun way to slow down language and hear how letter sounds are combined to make words.

Read

Reading with children is the very best way to help them be ready to read. Enjoy reading together as often as possible.

Write

Scribbling and drawing with children are creative ways to strengthen tiny finger muscles needed for writing.

Play

Playing with children helps them express themselves, explore new ideas, and expand imagination.
