**ADDENDUM No. 005**

**ISSUE DATE: July 19, 2023**

Responding Offerors on this project are hereby notified that this Addendum shall be made a part of the above named IFB document.

The following items add to, modify, and/or clarify the IFB documents and shall have the full force and effect of the original Documents. This Addendum shall be acknowledged by the Offeror in the IFB document.

The attention of the contractor(s) is called to the following clarifications, additions, and changes in plans and specifications regarding IFB 2023-099 Rebid SCADA Telemetry System and RTU Replacement. It shall be the responsibility of the contractor(s) to include these clarifications, additions and changes to the Procurement Documents.

## **I. CLARIFICATION ITEMS**

Ad 5-1. Question 1: 40 68 13 Section 1.4, Page 771. This section implies VTScada software is to be purchased as part of this contract. Trihedral indicated that Union County has recently purchased large licenses and that additional software licenses should not be required. Does additional VTScada licensing need to be provided under this contract?

Answer 5-1. Union County has procured all VTScada software licenses. VTScada software is not required to be purchased as part of this contract.
