3 INTRODUCTION

3.1 COUNTY

The County (estimated population 239,859) is located in the central, southern piedmont. The County provides its residents with a full array of services that include public safety, water/wastewater utilities and sanitation, human services, cultural and recreational activities, and general government administration.

3.2 PURPOSE

Union County, North Carolina, through the Department of Soil and Water Conservation, is seeking proposals from qualified contractors to provide Stream Debris Removal Services in Union County.

4 PROJECT OVERVIEW AND SCOPE OF WORK

Union County Department of Soil and Water Conservation has identified a need for Stream Debris Removal Services for Beaverdam Creek and Richardson Creek and is seeking a contractor who is prepared to assume the responsibility for providing these services while meeting federal and state guidelines and requirements. Selected contractor is responsible for having applicable industry license and certification.

Contractors shall provide debris removal services including, but not limited to, clean-up, demolition, removal, reduction and disposal of debris in order to eliminate threats to public health and safety. All equipment required for this service is the responsibility of the contractor.

An estimated 21,119 linear ft. of stream is anticipated to be cleared. However, there is no guarantee of the amount of stream footage. Maps of the designated areas to be cleared are located in **Appendix E** of this solicitation.

The Soil & Water Conservation Commission has determined that processing of debris may include any of the following activities:

- Chipping
- Burning (Must comply with all required State Forest Service permits and only under appropriate Air Quality conditions)
- Piling outside of the floodplain
- Other processing options approved by the Commission

4.1 REMOVAL FROM THE FLOODPLAIN

- Debris removed from the stream can be hauled away from the floodplain. Debris can be loaded directly into a truck for removal or debris can be floated to a location appropriate for its removal from the stream or floodplain.
- Debris can be piled on the property as long as it is outside of the 100 year floodplain.
- Debris can be removed to a landfill (grantees should confirm that the landfill accepts woody debris), another property, or to another location on the same property as long as it is outside of the floodplain and landowner has granted permission for the debris to be deposited on the site.
- Equipment used for hauling debris from the floodplain should be used in a manner that minimizes the impact to the banks of the stream. Boat mounted equipment may be an effective option for accessing stream debris. Tracked or wheeled equipment should be kept out of the stream channel and may be employed from the bank by using a manipulator arm or cables to drag debris out of the stream channel.
- If garbage (such as wooden construction materials) is contributing to blockages in the stream, it can be removed from the stream and disposed outside of the floodplain.

4.2 CHIPPING OR BURNING DEBRIS

Debris can be left in the floodplain if it has been chipped or burned so that it does not pose a risk of contributing to future blockages if it is washed back into the stream. Wood chips can be left on site or hauled away.

- Wood chips can be placed on the floodplain starting at the top of the bank. Wood chips should not be placed below the top of the bank or in channels that drain from the floodplain into the stream.
- Wheeled chippers and other equipment should be used in a manner that reduces impact to soil and vegetation.
- Wood chips should be distributed across the site in as thin a layer as practical to avoid inhibiting plant growth. Wood chips can be left in a pile at the landowner's request.
- Debris can be burned on site. The grantee/contractor is responsible for obtaining and possessing a valid burn permit (if applicable) and for following any other necessary laws or statutes related to burning.

ATTENTION: ACCOUNTS PAYABLE VENDORS

As part of our Fraud Prevention Program, Union County now prefers two methods for payments to vendor accounts. These methods allow for faster and easier payments to vendors.

The first and preferred method available is to accept a VISA card payment from the County. If you accept payment via VISA, payment is made at the time of the transaction or upon receipt and approval of the invoice.

The second method is an Electronic Funds Transfer. (EFT) This means that you will receive payment of invoices due directly into your bank account. With this method, you will get an email confirmation giving you the date, invoice numbers, and total amount paid. Your payment will be available to you on Monday (or the first banking day if Monday is a bank holiday) following receipt of an approved invoice from the County department invoiced.

An EFT Enrollment Form to enroll in the program is attached for your convenience. You can also visit the Union County website at www.unioncountync.gov at any time to get a new form if your banking information changes. If the banking information changes and you do not notify us, it will delay receipt of payment for invoices.

If you wish to receive payment via the County's VISA card, please contact Heather Howey at 704-283-3539, or send an email to ap@unioncountync.gov and you will be added to the list of vendors accepting the VISA card method of payment.

Union County prefers all vendors participate in one of the two methods described above.

Thank you in advance for your participation.

2. **FEE AND PAYMENT SCHEDULE.** Union shall pay Contractor [insert payment amount or rate] for performance of the Services. Contractor shall invoice Union on a monthly basis for Services performed, or upon such other schedule as may be agreed upon by the parties. Payment is due within thirty (30) days of receipt of an accurate invoice by Union’s Finance Division. All payments shall be conditioned upon appropriation by the Union County Board of Commissioners of sufficient funds for each request for services.
3. **TERM AND TERMINATION.** The Effective Date is the date of mutual execution of this Agreement. This Agreement shall have a term of [insert agreement time length] (the “Initial Term”). [The following sentence to be used only if renewals might be needed or desired, and then only if the RFP lists the possible number of renewals. If the contract is just for a single term, this sentence may be deleted.] Upon completion of the Initial Term, Union may, in its sole discretion, elect to renew this Agreement for up to ___ [number of possible additional terms, as stated in the RFP] additional ___ [number of years in each renewal term]-year terms, each a “Renewal Term,” upon written notice to the Contractor. Union may terminate this Agreement at any time, without cause, upon provision of ten (10) days’ written notice to Contractor. In the event of termination without cause, Contractor shall be paid for services performed to the date of notification of termination by Union.
4. **OWNERSHIP OF DOCUMENTS.** All deliverables and any other contract documents prepared by Contractor, or any subcontractors or subconsultants under the terms of this Agreement (“the Documents”), shall be the property of Union. Contractor further acknowledges that Union is subject to Chapter 132 of the North Carolina General Statutes, the Public Records Act (the

“Act”), and that this Agreement, as well as any of the Documents as defined herein, shall be a public record as defined in such Act, and as such, will be open to public disclosure and copying.

5. INSURANCE. The attached Exhibit A, Insurance Requirements, is incorporated herein by reference.

6. INDEMNIFICATION. Contractor agrees to protect, defend, indemnify and hold Union, its officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings, or causes of action of every kind in connection with or arising out of this Agreement and/or the performance hereof that are due, in whole or in part, to the negligence of Contractor, its officers, employees, subcontractors or agents. Contractor further agrees to investigate, handle, respond to, provide defense for, and defend the same at its sole expense and agrees to bear all other costs and expenses related thereto.

7. DECLARATION BY CONTRACTOR. Contractor declares that Contractor has complied with all federal, state and local laws regarding business permits, certificates, and licenses that may be required to carry out the work to be performed under this Agreement.

8. FEDERAL, STATE, AND LOCAL TAXES. Neither federal, nor state, nor local income tax nor payroll tax of any kind shall be withheld or paid by Union on behalf of Contractor or the employees of Contractor. Contractor shall not be treated as an employee with respect to the services performed hereunder for federal or state tax purposes.

9. NOTICE TO CONTRACTOR REGARDING ITS TAX DUTIES AND LIABILITIES. Contractor understands that Contractor is responsible to pay, according to law, Contractor’s income tax. If Contractor is not a corporation, Contractor further understands that Contractor may be liable for self-employment (social security) tax, to be paid by Contractor according to law.

10. FRINGE BENEFITS. Because Contractor is engaged in Contractor’s own independently established business, Contractor is not eligible for, and shall not participate in, any employee pension, health or other fringe benefit plan of Union.

11. UNION NOT RESPONSIBLE FOR WORKERS’ COMPENSATION. No workers’ compensation insurance shall be obtained by Union concerning Contractor or the employees of Contractor. Contractor shall comply with the workers’ compensation law concerning Contractor and the employees of Contractor.

12. NO AUTHORITY TO BIND UNION. Contractor has no authority to enter into contracts or agreements on behalf of Union. This Agreement does not create a partnership or any form of agency between the parties.

13. ASSIGNMENT. Neither Union nor Contractor shall assign, sublet or transfer any rights under or interest in this Agreement (including, but without limitation, monies that may become due or monies that are due) without the written consent of the other, except to the extent that any assignment, subletting or transfer is mandated by law or the effect of this limitation may be restricted by law. Unless specifically stated to the contrary in any written consent to assignment, no

assignment shall release or discharge the assignor from any duty or responsibility under this Agreement.

14. NON-WAIVER. The failure of either party to exercise any of its rights under this agreement for a breach thereof shall not be deemed to be a waiver of such rights or a waiver of any subsequent breach.

15. HOW NOTICES SHALL BE GIVEN. Any notice given in connection with this agreement shall be given in writing and shall be delivered either by hand to the party or by certified mail, return receipt requested, to the party at the party's address stated herein. Any party may change its address stated herein by giving notice of the change in accordance with this paragraph.

16. APPLICABLE LAW AND JURISDICTION. This Agreement shall be construed and enforced in accordance with the laws of the State of North Carolina. The parties to this Agreement confer exclusive jurisdiction of all disputes arising hereunder upon the General Courts of Justice of Union County, North Carolina.

17. COMPLETE AGREEMENT. This Agreement contains the complete agreement of the parties regarding the terms and conditions of the Agreement, and there are no oral or written conditions, terms, warranties, understandings or other agreements pertaining thereto which have not been incorporated herein. This Agreement may be modified only by written instrument duly executed by both parties, or their respective successors in interest.

18. SEVERABILITY. The provisions hereof are severable, and should any provision be determined to be invalid, unlawful or otherwise null and void by any court of competent jurisdiction, the other provisions shall remain in full force and effect and shall not thereby be affected unless such ruling shall make further performance hereunder impossible or impose an unconscionable burden upon one of the parties.

19. AUTHORITY. Each party warrants that it has the corporate or other organizational power and authority to execute, deliver and perform this Agreement. Each party further warrants that the execution, delivery and performance by it of the Agreement has been duly authorized and approved by all requisite action of the party's management and appropriate governing body.

20. E-VERIFY. E-Verify is the federal program operated by the United States Department of Homeland Security and other federal agencies, or any successor or equivalent program, used to verify the work authorization of newly hired employees pursuant to federal law. Contractor shall ensure that Contractor and any subcontractor performing work under this Agreement: (i) uses E-Verify if required to do so by North Carolina law; and (ii) otherwise complies with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes. A breach of this provision by Contractor will be considered a breach of this Agreement, which entitles Union to terminate this Agreement, without penalty, upon notice to Contractor.

[Signatures follow on the next page.]

IN WITNESS WHEREOF, the parties hereto, acting under authority of their respective governing bodies, have hereunto set their hands and seals, and have caused this Agreement to be duly executed, this the day and year first above written.
